

BOND ISSUE FAVORED FOR ROAD PROGRAM

Meeting Saturday Attended by Representatives of All Parts of County.

\$550,000 TO BE ASKED

Market Roads Would Receive Practically All of Money if Present Plans are Carried Out.

The people of the county will favor the carrying out of the program of the county court with reference to roads even to the endorsing of another bond issue, seems apparent from the results of the meeting held at the court house on Saturday afternoon, and attended by representative men from nearly every section. Some twenty-five or thirty were present, and there was a free expression of opinion, about two hours being devoted to a discussion of the situation.

Pressure has been brought to bear upon the county court for the past year, urging that body to devise some means whereby the unfinished portion of the Oregon-Washington highway in this and Umatilla counties might be completed. Umatilla is ready to do her part of the work, the state highway commission will go more than half way in cooperation, if we have the right understanding of their position, but Morrow county is unable to get anywhere on the job because of no funds; our county cannot complete in this matter with other portions of the state having similar situations and the money to place on the table. However, while considering the question, and taking into account the fact that other roads of the county are also of vast importance to the farming communities, and that the market road program should also be extended, the question has arisen concerning the financing of the entire program, and it was for this reason that the meeting was called on Saturday, it being the desire to take such steps as would bring the matter squarely before the county court, and if it were found advisable to put a bond issue up to the people, to get started as soon as possible.

The meeting was called to order at 3 p. m., Saturday, by Commissioner Bleakman. W. P. Mahoney was chosen permanent chairman and G. L. Sweek, secretary. The chair called upon Mr. Bleakman to state the object of the meeting, which he did, and stating further the position of the court in reference to the completion of certain roads, he presented a tentative program, worked out by Judge Bengtson, based upon the issuance of bonds to the amount of \$550,000, to which would be added this year's market road money, estimated at \$30,000, making a total of \$580,000 and distributed as follows:

Boardman, south 25 miles, to connect with O.-W. highway at or near Jordan warehouse, or with the Lexington market road as may be hereafter decided, \$80,000.
Lexington-Jarmon market road, 12 miles, \$72,000.
Rhea creek bridge, 8 miles to Eight Mile section, \$48,000.
Oregon-Washington highway, 11

miles, cooperation with state, \$75,000.
Lexington south, 5 miles, \$50,000.
Jordan Sliding extension to concrete bridge, 4 miles, \$24,000.
Morgan, 6 miles, \$36,000.
Spray road, cooperation, \$75,000.
One-Gooseberry, \$45,000.
Lena-Pine City, \$15,000.

This will leave a balance of some \$77,000 to be placed, part of it likely on the Willow creek road, and a part on a road leading out from McNabb station, as may be settled upon later. The chairman of the meeting called upon all present to state their views regarding the proposition, and the program was freely discussed, the general opinion being that the distribution as offered was quite fair and equitable to all portions of the county. As to the bond issue, this also received attention at length, every phase of the subject being well gone over, resulting in a complete understanding being reached, so that, when the question of adopting the program and endorsing a bond issue was presented, it was carried by a unanimous vote.

The committee heretofore appointed by the Heppner Commercial club to act in conjunction with the county court in road matters, was continued and instructed to prepare the petitions and take all steps necessary to present the question to the county court that the bond election might be speedily authorized. This committee consists of Frank Gilliam, W. P. Mahoney and C. L. Sweek.

It was shown at this meeting that the ultimate adoption of a bond issue would immediately release funds to the amount of \$50,000 now in the hands of the county treasurer as a portion of the sinking fund. These funds are becoming a burden to the county for the reason that the banks do not feel justified in going to the expense necessary in procuring collateral security for handling them, and also pay the rate of interest on the state demands. This raises the question of what is to be done, and by having the bonds to back the sinking fund, to be disposed of when that fund is needed, this money can be offered to the state for cooperation in the completion of the O.-W. highway gap, and that work can be gotten under way early this fall. The plan then is to sell the bonds of the county only as they shall be needed in the progress of the road building program and keeping the interest account down to the minimum.

Much of the discussion at this meeting was quite interesting. While it was freely admitted that the present situation of the farmers and other taxpayers of the county is such that they do not look with much favor on any proposition that might carry additional tax burdens, yet it was shown that in the long run good roads are a valuable investment, and their cost is really saved to the farmer by the increased rates and lessened expense of getting his produce to market. Large savings in haulage is made. Charley Bartholomew gave his experience along this line, stating that before the completion of the Echo-Butter creek market road, and during a part of the war period, he was called on to pay 40 cents per sack to get his wheat from the ranch into Echo; the man who had this contract during the few years that he operated, went flat broke and moved out the country owing everybody that he could. The completion of the market road changed this. He now gets his grain to Echo for 12 cents per sack, and the truckman makes money. Times have changed somewhat since the war, to be sure, but the big saving is in the good road to market. This was one point touched upon and comes from one of the large wheat raisers of the county, who is situated

WANTS SERVICES OF RAIN MAKER IN THIS COUNTY

Mr. Swaggart Will Back Proposition For Contract For Two Inches of Rain Here.

Lexington, Oregon, May 25.—To the Editor: I am interested very much in the probable outcome for the farmer this season as to his crops. He is facing a very serious situation and should there be a lack of sufficient rainfall many a man is facing bankruptcy and will have to retire from the wheat raising game in Morrow county. His recent experience in having his grain frozen out and the consequent heavy expenditure for re-seeding, has crippled the farmer, and the majority are in jeopardy of losing their all if this season's crop is a failure.

I therefore wish to offer a suggestion for consideration. Get a committee together to take up the matter with Rainmaker Hatfield and contract with him to produce for this section at least 2 inches of rainfall in May or early part of June. To get this matter started, I will subscribe five hundred dollars to apply on such a contract. I do this to show my faith in the proposition.

As stated above, the situation we are now facing is very grave, and our people should be doing something to insure the production of a crop this season as they have never faced such a condition before.

Large Numbers Take Advantage of Rebate

The sheriff's office reports that quite a number of the delinquent taxpayers were able to take advantage of the law relating to interest and costs on taxes due for the years 1921-22-23, yet by far the greater number could not get around to attend to the matter, as the time limit was too short.

In the opinion of some of the legal lights, there is authority for extending the time till November 5. If this can be done, it should be. At that time the majority of those for whose benefit the law was enacted will be in position to get together the money for these delinquent taxes and take advantage of the saving offered; as it stands now, they were denied that privilege. It within the bounds of the law, why not make this extension and get the bulk of these back taxes cleaned up.

BOYS TO REFORM SCHOOL.
Judge Bengtson and Sheriff McDufee departed on Sunday for Salem, having in charge Wesley Brookhouser and Marvin Brown, two Heppner lads, who had been under parole from the juvenile court, and having failed in the performance of their part of the contract, the sentence of the court had to be carried out. The judge and sheriff returned home Tuesday evening.

DEATH CLAIMS ANOTHER EARLY SETTLER HERE

Melvina Jane Clark, Native of Oregon, Lived in Morrow County Many Years.

Death came to Mrs. Melvina Jane Clark on last Friday evening, following a prolonged illness, which for several months had kept her confined to her bed. That she might receive better nursing, Mrs. Clark had been removed from her home west of town to the Heppner Surgical hospital, where all was done for her that was humanly possible. She passed away Friday evening at about ten o'clock, and the funeral services were held on Monday forenoon at the Christian church, Rev. W. W. Head, pastor of the Congregational church at Lone, officiating. The burial services were many and beautiful, and attending the funeral was a large concourse of the friends and neighbors, many of those who had known the deceased from the time of the early settlement of the Heppner country. Interment was in the family lot at Masonic cemetery.

Mrs. Clark was born at Monroe, Benton county, Oregon, on October 28, 1852, and died at Heppner on May 1, 1925, at the age of 73 years, 6 months and 3 days. She was married to James Ferguson in 1869 and they came to Morrow county in 1870, taking up as a homestead the place now owned by F. S. Parker, and for so many years known as the Ferguson place, just beyond the city limits west of Heppner. Her home was on this place until 1894 when she moved to the place that was her home until she died. To Mr. and Mrs. Ferguson were born four children, Mary, Martha, Julia and Emma. Martha and Emma passed away a number of years ago.

She was married the second time to Hiram E. Clark, December, 1884. Mr. Clark died about a year ago. Four children were born to them: Leta, Ernest E. and Edward D. of Heppner, and Iva (Mrs. T. C. Frieberg of Portland). The surviving children were all able to be present at the funeral.

The passing of Mrs. Clark removes from our midst another of the very early settlers in this locality. She was of sturdy pioneer stock and did her part well in helping to overcome the obstacles encountered in the settling of a new country. She was highly respected in the community and passes on to a better life as one who never failed in doing her full part in life's work.

District Convention to be Held at Heppner

The district convention of the Neighbors of Woodcraft will be held at Heppner this month, on Friday and Saturday, the 15th and 16th, to be entertained by Maple Circle No. 259. It is expected that there will be at least one hundred delegates present from the various circles of the Eastern Oregon section, and the local circle is making preparations to care for this many. The last meeting of the convention was held at Union when there was a large attendance, and it is fully expected that there will be more attend this meeting at Heppner. The delegates will arrive at Heppner Thursday evening, leaving on Sunday.

HEPPNER HIGH NEWS

The baseball game played with Lexington last Friday resulted in a score of 6-3 in favor of Heppner. The Hardman-Heppner game Saturday was won by Heppner, 14-9. The Heppner baseball team will play the lone team on the Lexington field next Friday afternoon. This game is to be held for the purpose of deciding the championship for the district.

The teams have met twice before this season and each team has won a game. This will be the best game of the season as the teams will be evenly matched and playing their hardest. Sophomore class gave a candy sale last Friday afternoon.

The Arion Literary Society met at the home of Luola Bengtson for the purpose of initiating John Conder and Marie Becket. Everyone reports an enjoyable evening.

The high school smoker has been postponed until one week from tomorrow. On May 16th at the Star theatre there will be a tumbling exhibition by Leonard Schwarz and B. R. Finch. This exhibition will be about one-half hour in length and will be in connection with "Fighting Youth," a new super moving picture production.

Missionary Society Honors Birth Anniversaries

The monthly meeting of the missionary society of the Christian church was held on Tuesday afternoon in the church parlors with an attendance of 30 and Mrs. E. R. Huston's division having charge. Mrs. Ward was leader and the subject was China, the program being lived by music.

The scripture lesson was read by Mrs. Bengtson, followed by prayer by Mrs. E. N. Crawford and a song by Madam Turner, Huston, Anderson and Ferguson. Mrs. Charlotte Gordon read a paper on Nanturecho, China; Mrs. Lera Crawford a paper on "Heroes of the Prince of Peace," and clippings by Mrs. G. M. Anderson, Mrs. Virginia Turner, Mrs. Myra Wells, Mrs. F. S. Parker, Mrs. E. R. Huston, Mrs. Jeff Beymer and Mrs. D. M. Ward. Mrs. Turner and Miss Jeannette Turner favored with piano solos.

A large birthday cake was presented in honor of those ladies having birthdays in the months of March, April and May, which were Margaret Cox, Luella McCarty, Mattie Hutton, Cora Crawford, Eppa Ward, Mrs. O. Ferguson, Myra Turner, Lera Crawford, Anita Lundquist, Virginia Turner and Fay Ferguson.

NEW RECORDER APPOINTED.

At the regular meeting of the city council on Monday night, following the routine of business, Mayor Noble announced the appointment of Earl Gordon as city recorder, to fill the unexpired term of the late W. A. Richardson. The appointment of Mr. Gordon was approved by the council. There were a number of applicants for the place.

The Heppner tourist camp is now open to the public. A representative of the state board of health was here this week and placed his stamp of approval on the camp, after making a thorough inspection of the same.

J. T. Ayers of Butter creek was in the city on Wednesday. He has been suffering some from injuries to his hand, but that member is about well now.

Referendum Opposed By the County Courts

In opposition to the referendum promoted by the big truck and bus concerns relative to Bill No. 413, which levies a small mileage tax on these companies, the organization of county courts of the state have been asking the people to not sign the referendum petitions.

Petitions of this character have been circulated about Heppner this week, and received some signatures. Whether or not the law would be repealed by a vote of the people, when the issue came before them, we are not prepared to say, but believe that they would sustain the law as passed by the legislature. The required number of signatures to get the question on the ballot, when they are filed with the secretary of state, will have the effect that the truck and bus concerns wish, and that is to make the law inoperative for the next two years and thus save them the tax they would be required to pay under the law. Bill No. 413 is a good piece of legislation, and according to the different county judges, should be allowed to stand. It is a good idea to file the signature referendum petitions in this particular case.

VISIT HEPPNER.

Mr. and Mrs. Joseph N. Scott and Mr. and Mrs. D. C. Wells have returned after a motor trip to Heppner where they attended a meeting of the Eastern Star at which Mrs. Burdette, grand worthy matron, was present.

Mrs. Scott and Mrs. Wells were honored at an enjoyable party on Thursday afternoon when Mrs. W. F. Mahoney entertained at a bridge party at her home. Four tables were in play, Mrs. Alfred Ayers having high score and Mrs. Richard Wells second. Guest prizes were presented the honorees and Mrs. Dean Goodman, Sr., of Portland.

Yellow and white was the color scheme used. Assisting the hostess were Mrs. Hanson Hughes, Mrs. McNamer and Mrs. Charles Shurt. Besides the guests for bridge, other guests called during the tea hour—Eust Oregonian.

NEW TENNIS COURT COMPLETED.

Frank Harwood and Earl Hallock, with the assistance of several others, have completed a fine tennis court, located on the Vic Groshens lot, corner of May and Chase streets. The boys have put in a lot of work on the grounds and now have the court in good shape. It is the intention to form a tennis club, and anyone interested can sign up at the store of Mr. Harwood, who assures us that the fees will not be large, but it will be necessary to have a fund to keep up the grounds, help pay for their preparation, and look after some other necessary expenses.

Bishop W. P. Remington of Pendleton will hold services at the Episcopal church here at 11 o'clock Sunday morning, May 10, and the public of Heppner is cordially invited to attend.

Dated this 7th day of May, 1925.
GEORGE McDUFFEE,
Sheriff of Morrow County, State of Oregon.

LOCAL POST BEHIND LEGION ENDOWMENT

\$5,000,000 Fund to be Used For Care of War Widows and Orphans.

COOLIDGE CHAIRMAN

Nation's Most Prominent Citizens Are Backing Move Started by the American Legion.

Heppner Post No. 87, American Legion, at its meeting Tuesday evening, endorsed the \$5,000,000 Endowment Fund of that organization unanimously and are behind the move individually and as a unit. While definite information as to quota has not yet been received, the local post expects to put Heppner over the top within the first few hours of the drive which will take place the week ending with Memorial Day.

The Legion Endowment Fund has been characterized by President Coolidge and other national leaders as the finest project ever undertaken and worthy the support of every citizen. The purpose of the fund is to take care of the widows and orphans of deceased ex-service men, as well as the children and wives of those veterans who, through service-contracted illness, are unable to support them. It is conservatively estimated that there are at present 30,000 orphans and widows of ex-service men, 5,000 of whom are dependent upon charity. Through the use of the income from the Endowment Fund, these dependent orphans will be given good homes, educational facilities and everything done to make them self-respecting, self-supporting citizens. So important and worthy is the project that President Coolidge has accepted the honorary chairmanship of the national committee.

In Oregon, R. A. Booth of Eugene, prominent lumberman and former member of the state highway commission, is chairman of the state committee. In this state the drive for the Endowment Fund is linked with the drive of the Legion for the maintenance fund for the Deernbeck hospital for crippled children, the raising of this fund of \$60,000 having been undertaken by the Oregon Legion. Thus two most worthy projects are being put before the people of the state and these in charge feel there will be no trouble in putting the drive over.

The local chairman and committees have not yet been chosen, but a special meeting of the post will be called soon for this purpose. Legion members here are certain that the people of Heppner and surrounding country will respond with their customary generosity when the committees call upon them, especially when the purpose for which the money is to be used is taken into consideration.

Memorial Day services this year will be sponsored by the Legion post and a committee was appointed Tuesday evening to cooperate with other organizations of the city in preparing the program.

Batter for the use of the swimming pool this season were adopted as follows: Children, single swims, 10c; 25 swims for \$2.00; adults, single swims, 25c; 20 swims for \$4.00; spectators will be charged 10c on Sunday days and holidays.

Following the business meeting refreshments were served, Arthur McAttee having charge of the commissariat.

HARDMAN

The commencement exercises of Hardman high school will be Thursday evening, May 14, at 8 o'clock. The members of the grandstands were Lavilla Howell, Lewis Batty, Alice Keithley, Dale Bleakman, Hazel Hays, Percy Bleakman, Beulah Batty, Vinton Howell and Hazel McDonald.

Rev. W. O. Livingston will officiate. The seniors of Hardman high had their First Day services Wednesday, April 29. Wednesday morning, instead of going to school, they met down town and went to the mountains in J. N. Batty's and G. A. Bleakman's cars. They took their dinner with them, left Hardman about nine o'clock and went to Glutton Falls where they had dinner, then came back to Rock creek and went up to Buck Falls. They returned to town about three o'clock. The seniors had a pleasant trip and were greatly misused (?) by the remainder of the school.

The dance given by A. M. Flett last Saturday was well attended. Many people were present from Heppner, Lone and Lexington. The next dance will be May 14th, after the commencement exercises. Music for this dance will be furnished by Flett's orchestra.

The baccalaureate sermon will be preached by Rev. Jones of Lexington, Sunday afternoon, May 10, at two o'clock.

The senior Class Day will be May 11. The program will begin at 8 o'clock and will be followed by a party. The program will consist of the following: Class song, history, will, prophesy, poem, farewell song. The party will be given in the high school auditorium.

Final Meeting P. T. A. For This School Year

The final meeting of the P. T. A. for this school year will be held on Tuesday afternoon next at the high school auditorium, and it is desired that every patron of the school be present.

The Womens' Relief Corps are sponsoring the program, which will be a patriotic one, so lay aside the duties of the day for at least one hour and join with them in this service. The program to be as follows: The assembling of the organizations: (a) Relief Corps; (b) Girl Reserves; (c) Boy Scouts.

Flag salute by each organization. Singing America, audience standing. The Boy Scouts, selected. Tablets.

Whistling solo; Elizabeth Phelps. Girl Reserves, selected. Oration, Chas. Notson. Our Flag, solo, Mrs. C. Darbee. Boy of '76. Lincoln's Gettysburg Address, Mrs. W. P. Mahoney. Address, 8th grade prize student. Presentation of Oregon Flag Law, Mrs. Bertha Drew Gilman. Vocal duet, Mrs. Claire Hopper and Mrs. W. A. Moore. Presentation of prize to 8th grade student, Mrs. Bertha Drew Gilman. Singing of Star Spangled Banner, audience standing.

ed quite a distance from the railroad. The program of the state highway commission has been to build main highways—tourist roads, largely. One short gap remains in the tourist roads of Morrow county, and this will be closed in a short space of time, providing the bond issue prevails. The best is then to come to the market roads, and the program as outlined here and endorsed by the meeting Saturday, will bring these in. See season; not all at once, to be sure, but it starts the program on a basis that guarantees the completion of these various roads before many years have rolled around, and thus the real development of the county will be promoted. Give the farmer good roads leading to the railroad and connecting with the main highways; help him to reduce his overhead in getting his produce to market, and you will thus assist in reducing his cost of living and make conditions easier. It will also mean the building up of the population of the county and bring to us more people on the farms, better country schools and happier conditions all around for the rural population. Now is a good time to start something.

VICTOR HUGO'S
IMMORTAL MASTERPIECE
THE HUNCHBACK OF NOTRE DAME
A UNIVERSAL PRODUCTION

STAR THEATRE, HEPPNER

Tues. and Weds., May 12-13
Enacted Amid Superbly Beautiful Settings

You will thrill to the appeal of this splendid story of love and sacrifice—its pathos will strike straight to your heart. Your eyes will be dazzled by the grandeur of the settings, the like of which have never been seen upon the screen. Victor Hugo's immortal love epic has been made into a tremendous super-play. There have been great pictures before—but never one like this; never a picture to win or deserve such universal praise. Critics have called it great; the theatre-going public have acclaimed it as the most tremendous cinema achievement of all time. You must see this picture! For until you do, you will never realize the magnificent heights to which a production can attain.
