Fine Meeting Monday

The meeting of the American Le-gion Auxiliary Monday night was marked by a large attendance and such business was transacted. Plans much business was transacted. Flans were completed for entertaining the Legion at a joint meeting to be held in Bethel Chapel the evening of June first. Legion wives and Auxiliary husbands are included in the invitation whether members of either or anization or not.

Mrs. Arthur McAtee was elected a

elegate to the convention at Prince ville, an alternate to be named later.

Formal action was taken in requesting that certain hours during the week be designated for women only at the swimming pool. A resolution was passed offering the Legion the aid of the Auxiliary in any possible way during the Endowment Fund and hospital drive. A motion was made and carried that business meetings of the Auxiliary be suspended after rille, an alternate to be named later 11.04 the Auxiliary be suspended after 30.55 June first until September, but that 55.00 a social meeting be held each month 10.00 at which tray cloths for Hospital No.

at which tray cloths for Hospital No. 77 will be made.

Memorial poppies made by the boys in Hospital No. 77 will be sold in a booth before and after Memorial services in the Elks hall Memorial Day. The boys in Hospital 77 have made 30,000 poppies. It is only the men receiving no compensation pay from the government who profit by the sales. Many of them are very anxious 32.80 sales. Many of them are very anxious 5.25 to make more than they are able and 00.00 have to be curbed by the committee. They make a few at a time, then have

They make a few at a time, then have to rest. In buying the poppies you will be giving direct help to these disabled soldiers who are paid a small sum for making them. The profits of the sales are used only for hospital and child welfalre work. Do not save your poppies from year to year and wear them again and again. This does not help the ex-service men and the little children, tho it may show you remember the day and the sactification and the little children, tho it may show are paid as made and the little children, tho it may show fiftee made. It is for the ones still paying the price that we make and sell the poppies. Poppies made by these ex-service men all bear the official Legion and Auxillary label. In buying them you will know you are buying them you will know you are business. The opening of the sensions occurred at 10 o'clock Friday morning, at which time C. L. AMERICAN LEGION ENDOWMENT FUND

HEREAS, The President of the United States has endorsed the efforts of the American Lawrence homes and education for the thousands of dependent children of war veterans, the care and protection of wives and widows now dependent upon charity and the care of incompetent and disabled veterans of the World War, and

WHEREAS, the Governor of the State of Oregon, recognizing this great service to humanity, has called upon every educational, civic and religious agency of this commonwealth to aid The American Legion in this work of brotherly love and good citiznship and has set aside the week of May 24th to May 30th to be devoted to the raising of funds for this program.

THEREFORE, I, E. G. Noble, Mayor of the City of Heppner, State of Oregon, hereby proclaim the week of May 24th

AMERICAN LEGION ENDOWMENT WEEK

And urgenfly recommend that all citizens and organizations of this city put forth every effort in attaining this city's quota of the \$5,000,000 needed to carry on successfully The American Legion's national child welfare and rehabilitation endeavors.

Given this 19th day of May in the year of our Lord, one thousand nine hundred and twenty-five, under my hand and seal of the city of Heppner, State of Oregon.

Signed: E. G. NOBLE.

PETITIONS FOR ROAD ELECTION READY SOON

mportant Issue to Come Up For Action; Tentative Plan for Use of Funds Given.

The matter of preparing the paper in the coming road bond issue, wa eferred to in last week's paper, it shich it was noted that the technical eart of the program had been placed in the hands of representatives of a eading bond house of Portland, and hat Messrs. Woodson & Sweek would

look after the legal end of the mat-ter for the county court here. We are informed by Mr. Woodson that the petitions calling for the election are being prepared and should soon be in the hands of circulators. In this connection the County Court would appreciate getting just as heavy a por centage of the voters' names on the lists as possible; Judge Benge hopes

mands of the local membership and of the units in case the election is included the county court have been warm place in the hearts of all of at work on the matter, and have prette delegates present. In fine, it can be said that this was one of the ment with a view to getting the montest conventions the 10th district ey placed where it will do the greatest good to the entire county. This of the meeting is due to the manner plan calls for the use of the greater which the membership of Manla and of the funds in represents the red in some instances:

ENDOWMENT FUND DRIVE NEXT WEEK

Solicitation Will End Memorial Day; C. L. Sweek at Head of Campaign.

HEPPNER QUOTA \$300

portunity Will Be Given People to Subscribe Before Drive Starts; Move Endorsed by Citizens

With a quota set at \$300, the local rive for the American Legion En-Memorial hospital maintenance fund is under way and will end Memorial Day. C. L. Sweek has accepted the chairmanahip of the Heppner organzation, and under his direction

assisted by other prominent citizens of the city, a great many of whom have heartly endorsed the move. While the time set for the drive is the week of May 25-30, local peo-ple will be given the opportunity to make their subscriptions before that time. Arrangements have been made to place subscription cards at the following places: Gilliam & Bisbee, Pirst National Bank, McAtee & Aiken that local people make their subscrip tions at one of these places before the 25th, those handling the drive de-siring if possible to have the entire amount subscribed in this manner

making an intensive solicitation cam nign unnecessary. The proposition is indeed a worthy

ne, and one in which every thinking erson will desire to have a part. Alperson will desire to have a part, Although years have passed since the signing of the armistice and the cessation of hostilities, yet for thousands of the men who took part in the gigantic struggle the war is not yet ended, and because of the few months they spent in France they have had six years in hell. To these men the nation owes a debt that can never be paid, and if by contributing a few dollars, even though the contribution dollars, even though the contribution would mean a temporary sacrifice, their condition can be improved it would seem that the people of the nation would willingly respond. The disabled veterans present a problem which can be solved by the provision of the proper medical and hospital care. But the orphans of deceased veterans, and the children of those veterans who through disabilities are eterans who through disabilities are

unable to provide a home for their families, a more complex problem is presented. These need not only temorary care; they need homes. And o the working out of this the Amer-can Legion is bending every effort. was for this purpose that the En dowment Fund was inaugurated, and the plans adopted will give homes and home influence to every orphan needing them. There are many thousands of such orphans in the country rapidly The proper care and attantion now will make good, useful, prodrive is linked with the drive to raise the first year's maintenance fund for the Doernbecker hospital, the raising of which was guaranteed by the Le rion of the state. This found will mount to \$60,000. The Doernbecker nespital will treat all children needing hospital care whether or not the child's parents are able to pay for such treatment. It will be an institu-

needed now. Thus, half of the quota o be used In helping our own people The drive is being backed by the ending citizens of the town, the state and the nation, and there is no quesion but that Heppner will respond nickly and generously. Heppner Post No. 87 has guaranteed the raising of Heppner's quota, and are backing the move as a unit and individually. They are asking noth-

ng for themselves nor for the Amer-

on of great usefulness and is much

an Legion; but are putting before a people of the country the case of I disabled veterans and all orphans f deceased veterans whether they now Legion connections or not. BERRIES FOR SALE,
