

BOARDMAN

Mr. and Mrs. C. B. Collins were delighted to have their children, C. C. Collins and family and Mrs. Inez Trank of Spokane, visit them for a few days last week. Mrs. Collins, a friend from Spokane, accompanied them. All visited until Sunday and then returned to Spokane where they met another friend, Mrs. Glendon and little daughter at Elsie's, who returned with them to Spokane. Dwight Collins remained for the rest of the summer with his grandparents. He spent the summer with them last year.

W. A. Ginn was a visitor to The Dalles over the weekend.

Friday evening Mr. and Mrs. C. B. Collins entertained a few neighbors in honor of their children. The guests who were present were Messrs. and Mrs. W. O. King, Ned Kristensen, Lee Mead and the latter's guests.

Boardman is quite proud of her baseball team. She has defeated all the teams in the league at least once except Umatilla, and that team has the Suspension bench jinxed. On Sunday the locals played Stanfield here and made 5 runs in the first inning. The first five innings the score stood 3 to 0. At the end of the game Boardman led 9 points and Stanfield 2.

Boardman school election Monday was a very close affair. Only 25 votes were cast and C. B. Collins was elected director for the next three years. Mr. Gilbreth is the retiring member of the board. Mrs. An-

abelle H. Boardman was re-elected clerk for the coming year. School law requires that a ballot be cast, else both officers would have been elected by acclamation.

Pat Petros of Condon is here.

Sunday, June 14, was Children's Day at the church and the program given was pleasing to all. The songs, recitations, were all well given and the little playlet, "The End of the Road," the story of the good accomplished by the Sunday School missionary in the mountains of the South, was especially done. Nita Woodward and Helen Chaffee had the leading parts and did very well. Margaret Smith, Dale Cox, Buster Hatch, Albert Boardman, were in the cast and all did well. The platform of the church was transformed by the decorations, showing tamaracks being used in profusion.

"I'd as soon turn in my dog" "Turn her in? Why should I? That old Ford is as good as she ever was. Since I switched to that new Zerolene 'F' for Fords she runs like a clock and seems to have a bit more power too." Zerolene "F" for Fords gets to all the bearings requiring lubrication—especially the wrist-pin bearings and the upper half of the cylinder walls that are frequently oil-starved when an unsuitable lubricant is used. It deposits a minimum of carbon, and because it lubricates better, enables the engine to develop a considerable margin of power over and above what you're accustomed to expect from your Ford. And it costs not more, but less than most of the special Ford oils now on the market. A Ford is an A-1 transportation investment. Protect your investment by proper lubrication. What Would This Country Be Worth ? ? What would your business be worth, Mr. Stockman? What would your farm be worth, Mr. Farmer? What would your job be worth, Mr. Laboringman? IF EVERY BUSINESS HOUSE IN THIS COUNTY WOULD CLOSE THEIR DOORS AND DISCONTINUE BUSINESS? IT WOULD then become a necessity to send to the mail order houses, with several days wait, for every little article you wanted. Would this be a desirable place to live in then? How quick the community would begin agitating for local business houses. Do the mail order houses pay taxes to keep up our roads and schools? Do they take a few dozen eggs in exchange for groceries? In case of some calamity or some destitute family, do they contribute? What would you think of the service of the local merchant if you had to pay for each article, then wait several days for its delivery? Don't fool yourself. Look at this situation on the square. Remember, we meet any price on first quality goods when the money is placed upon our counter. If you do not believe so, bring your catalogue and we will convince you. Let us figure with you on that harvest order. Of course, you have a right to buy where you please. But let your local merchant have a chance to figure with you before sending away. Our store is your store. We are here to serve. Cash & Carry Grocery JOHNNY HIATT, Proprietor
