MORROW COUNTY OFFICIAL PAPER Foreign Advertising Representatives THE AMERICAN PRESS ASSOCIATION

THE question of the benefit of good roads to any community seems to be one that is no longer debated. So far Morrow county has but a few miles of permanent surfaced roads but these have amply proven their worth from every point of view.

habitants sending their money out of town. A dollar spent in town travels from the home to the grocer, to the butcher, then to the hardware merchant, and so on around the whole wheel of home trade.

CONGRESSMAN SINNOTT of The Dalles puts forth the statement that he will not seek nomination as U. S. senator in the coming primaries, but will be a candidate to succeed himself.

What the trees sang: "Ashes to ashes, dust to dust, if the loggers don't get us, the cigarettes must."

Not New—But the Truth. WE MAY have our differences of opinion in matter of politics; we may not agree on the subject of religion; some of us have notions that other folks think are crazy and other folks have ideas we think lack in sound reasoning.

Good stores are the life of any community. Moreover we know we cannot have good stores if they are not profitably supported.

ponents to Robert N. Stanfield in this district may also step out and in so doing the fight will be narrowed down. Political wisecracks are impressed with the idea that the campaign on the part of the Stanfield boosters is to get a number of good men into the race and thus assure the nomination of Stanfield.

THIS has been one of the longest unbroken hot spells that Oregon has experienced for years. Portland has broken the record for a long dry season by several days already, and the prospects for rain are still remote.

Mrs. Lillian Cochran got home on Tuesday from Arlington. She has been working on a wheat ranch in Shuttler Flat for the past month, helping during the wheat harvest season.

Bank Credit and Bank Balances THE average balance you carry in this bank has a great deal to do with the amount of credit extended to you. When one man wonders why he can't borrow as readily as his neighbor, granting all other factors equal, the reason is probably found in a steady, substantial average balance as against a small, fluctuating account. It's good business from every standpoint to build up your bank balance, as a builder of credit, a bulwark against emergency, a ready capital for business opportunities.
