## Local Happenings

Two Salem lads, driving a bug, ran into a header wagon driven by Paul Jones on the Heppner hill grade on Thursday. The result was disastrous for the driver, and the contact of the machine with the wagon shoved the header box ahead onto the horses and the team ran away. Paul receiving some bruises by being thrown out. The bug went over quite a bank, the boys were thrown out but fortunately escaped injury while the car was a wreck. It is stated that they were coasting down the grade and did not see the team drive out on the highway until too late to avoid the collision.

Miss Leta Humphreys departed early Tuesday morning on her return to Eugene after having spent a couple of weeks visiting with her parents in this city. She was accompanied by Miss Katie Buchanan, friend of Miss Evelyn Humphreys, who has also been visiting here for two weeks. The young ladies expected to spend a day or so in Portland before going on to Eugene.

While on the way over to Ritter Sunday, L. Van Marter ran onto a couple of bucks and two doe in the road on Willow creek right opposite the Cohn camp. The deer took up the road ahead of the car and ran along that way for quite a distance, making a very pretty sight. Mr. and Mrs. Van Marter had dinner at Ritter and returned home in the evening.

Mr. and Mrs. P. A. Anderson and Mr. and Mrs. C. L. Sweek traveled over the "skyline" road Sunday, going to Hildaway and Lehman Springs and returning to Heppner via Pendleton. They found this new road very easy to travel for a mountain road, and going to these mountain resorts by that route is somewhat shorter than by the old way of Pilot Rock.

Mr. and Mrs. T. A. Hughes drove up from Portland on Friday night last, for a visit with his relatives here. Mr. Hughes returned on Monday while Mrs. Hughes has remained for a visit of some two weeks. Mr. and Mrs. Leonard Barr, Miss Edna Vaughn and Miss Mary Crawford departed on Sunday for Paget Sound and British Columbia points, to be gone for a period of about two weeks. They will take in Rainier National Park, Vancouver and Victoria, B. C., returning by way of Portland and the Columbia highway.

Ernest Smith, who farms the O. S. Hodson ranch north of Lexington, was a visitor in Heppner Friday. Mr. Smith has finished threshing and got an average yield of about 15 bushels, which he feels is pretty good considering the conditions his part of the county had to meet in the matter of reseeding.

Mr. and Mrs. E. R. Huston and daughter, Miss Elizabeth, who have been vacationing for a couple of weeks, returned home on Tuesday. They spent the most of their vacation at Port Townsend, Wash., where their son, Dr. John Huston, is now located, and report a very enjoyable trip.

Mr. and Mrs. Neil Daw and two children, of Chitwood, Ore., stopped over at Heppner Wednesday night for a short visit at the home of Mr. and Mrs. T. J. Humphreys. Mrs. Daw is a niece of Mr. Humphreys and they have been making a tour of the Eastern Oregon country.

J. W. Wheeler has received a Mitchell "Triangle" wheat treating machine from the factory at Spokane and is outfitting to go to the various farms of the county and engage in the treating of seed wheat by the copper carbonate process. He expects to begin work this week.

J. W. Vaughan, formerly a resident of Heppner, came over from the John Day country the end of the week. He thinks that he may spend the winter at Heppner. He has been living in California and Texas since leaving here several years ago.

Pete Spehr, formerly engaged in the barber business here and now located at Wasco, in Sherman county, where he is enjoying a good business, was visiting with his old friends in this city for a short time Monday.

**\$100,000 In Premiums At Livestock Exposition**

The premium list of the fifteenth annual Pacific International Livestock Exposition, which will be held at Portland, Oregon, October 31 to November 7, inclusive, has just been received at this office and carries a total premium from all sources of nearly \$100,000.

This great live stock classic of Western America promises to be still better than any year before and already entries of various sorts of livestock are promised from every part of the United States and Canada.

This splendid prize list is divided among the various departments about as follows: Dairy Breeds \$15,500, Beef Breeds \$15,000, Sheep and Goats \$9,000, Hogs \$3,750, Poultry \$2,500, Heavy Draft Horses and Night Horse Show \$15,000, by the Exposition proper and \$15,000 by sponsors of stakes and from entry fees in these stake classes, a total of \$50,000, making of this show the largest Horse Show in America, which distinction it held also in 1924. Fat stock classes \$5,000, Boy and Girl Club Work \$5,000, Manufacturers and Land Products and Grain Show \$3,500, Dairy Products \$750, Judging Teams \$250, together with groupings of other smaller items which will bring the amount up to approximately \$100,000.

There will be two special features this year in connection with the show one the campaign to show "Truth in Meat" and the other one a dairy exhibition which will feature cow testing work. The "Truth in Meat" campaign will bring before the people of

the country very clearly indeed the importance of knowing meat, both the prime, medium and common, the idea being that the farmer shall receive a better price for his higher grade meat whereas the cheaper types will sell for less money. The consumer will receive the benefit of this proposition. In the dairy cow testing work, a string of average farmer cows will be seen giving about 4000 lbs. of milk a year; another string of purebred will probably give an average of say, 8000 to 12,000 lbs., a very small average for a good string of well bred cattle. The cattle will all be picked from the various fine breeds so that people can have a good opportunity to see results from good average herd of pure breeds.

This wonderful building covers over ten acres of ground and approximately

will be filled to overflowing this year with breeding animals from all parts of the country and those who expect to come should send in their entries early.

Boys and Girls Club Work is considered one of the leading activities of our Exposition and will be more highly emphasized than ever this year. Premium list may be obtained by addressing O. M. Plummer, General Manager, 211 Northwestern Bank Building, Portland, Oregon. Entries must be in before October 10th on the breeding stock and before October 20th on the fat stock.

High grade piano near Heppner will be sold to a reliable party at a big saving. \$10 monthly will handle, a map, write at once to Tallman Piano Store, Salem, Oregon.

Heppner bread costs no more and for cash you save 25%—9 cents a pound loaf, 3 for 25c. Do Portland bakers have any money invested or pay taxes here?
