

ROAD BONDS CARRY BY GOOD MAJORITY

Permanent Road Program Is Adopted at Election Monday.

LIGHT VOTE IS CAST

Lena-Vinson Gap in Oregon-Washington Highway Now Assured of Completion; Market Roads Pushed.

The special election Monday on the bond issue failed to get out the vote that it should, but the measure was passed in favor of the issuance of \$550,000 in bonds to carry out the program as adopted.

The first round of importance to receive assistance as a result of the success of the bond issue will be the gap in the Oregon-Washington highway between Lena and Vinson.

The vote by precincts on the measure follows. From this it will be noted that the issue was not popular in some districts—mainly those now having good roads.

Table with 2 columns: Precinct, Yes, No. Rows include South Heppner, North Heppner, Boardman, Irrigon, Eight Mile, Lexington, Hardman, Lena, Pine City, Alpine, Gonesberry, Lone, Cecil, Total.

Majority for bonds, 132.

EPISCOPAL CHURCH

PENDLETON READY FOR BIGGEST AND BEST ROUND-UP

Famous Frontier Show Will Be Given Four Days This Year; Many Contenders Entered.

Pendleton, Or., Sept. 14.—With her streets bedecked in flags, electric light strings and bunting, and her populace to a man rigged out in rainbow shirts, Pendleton is ready for the Sixteenth Annual Round-Up which opens September 16th and continues to the 19th.

But it is at Round-Up Park where complete preparations have been made for a Round-Up that will overshadow all of Pendleton's previous cowboy congresses.

Outstanding among these contenders is Mike Hastings, who, as far as Round-Up officials can predict now, will be the only cowboy to enter all four of the Roosevelt Trophy events, which include bulldozing, broncho busting and the wild horse race.

Grain Show to be Held At Peoples Hardware

The Morrow County Grain Show, September 24, 25 and 26, will be held in the Peoples Hardware Company store at Heppner. A number of exhibits have been received and more are expected in a few days.

Exhibits must have been grown in 1925. Entries must be made and exhibited in place not later than three o'clock September 24. Exhibits can be taken by the grower after five o'clock, September 25.

GRAND CHANCELLOR WILL VISIT. Doris Lodge No. 20, K. of P., of this city will receive a delegation on Tuesday evening, September 22nd, from Grand Chancellor Jay Upton, of Bend. Mr. Upton is making official visits to the various lodges of Eastern Oregon and he should be greeted by a large turnout of the membership of Doric lodge on next Tuesday evening.

Heppner Folks Attend North Morrow Fair

Quite a large party of Heppner folks were in attendance on the North Morrow County Fair held at Boardman on last Friday and Saturday.

Among those noted by the editor of the G.T. being present on Friday, the fair opened on Friday afternoon at the Boardman school building, and there was a very fine display of vegetables, corn, melons, squashes and fruits from both the Boardman and Irrigon projects.

AMERICA'S ENEMY—Fat. A Short-horn Bull. A Roof to the Earth. 10-Pound Baby?—Wrong.

What is more dangerous than ocean travel, riding or railroads, or flying in an airplane? The answer, given by Mr. Johnson, of the National Life Insurance Company, is FAT.

Good news for little automobile owners. Gasoline prices are slashed all over the country. Yesterday, in eastern territory, the cut was three cents a gallon. In the middle west many buy gas under 14 cents.

A short-horn bull was sold in the Argentine republic recently for \$90,000, record price for that breed. The real record is the price paid in this country by the Carnation Farms Company for a Holstein bull—\$102,000.

Learned men, including churchmen, once taught that there was a roof to this earth, held up by its own strength, which called the sky.

Radio waves such as we use may be able to travel outside of that atmosphere. If so, science will find some other way that will take messages to other planets.

Learn, proud parents, that the much praised "ten-pound baby" isn't the thing at all. The average normal boy baby weighs 7 1/2 pounds at birth.

RESOLUTIONS OF RESPECT. Whereas, it has pleased our Heavenly Father to summon to her Eternal Home our beloved sister, Marie Cochran, who was a faithful member of Ruth Chapter No. 32, O. E. S. for a number of years;

BLUE BOOK READY FOR DISTRIBUTION

The Oregon Blue Book, official directory and statistical compendium of the state for the biennial period of 1925-1926, as compiled by the Secretary of State under Section 2730, Oregon laws, is now ready for distribution.

Aside from a complete directory of all state officials, elective and appointive, and the personnel and duties of all office boards, commissions, departments and institutions embracing the official family of the state, it contains the constitutions of the state and federal governments and authoritative descriptive and historical sketches of the state from its earliest history down to date.

Next in safety comes a railroad train, and before long the flying machine will be safer than either.

No Liberty Without Law. ON THIS, the 138th anniversary of the framing and signing of the Constitution of the United States, we are called upon to take note of the document that gave this nation a new birth and placed in the records those ideals and aspirations which have made us a great people.

These prices show what can be done by breeding among animals. You can get a perfectly good bull for \$40. But a little change in the shape of the animal, produced by a careful selection of the mysterious chromosomes, makes a big difference.

BEDDING OUT RULING WON BY SHEEP MEN

Conference Held in Pendleton Last Week With Forest Service Head.

15% SAVING POSSIBLE. New Decision, Covering Entire Umatilla Forest, Means Much to Users of the Range.

Important concessions were won by the sheep permittees on the Umatilla National Forest in a conference with Colonel Greeley, chief United States Forester, at Pendleton last week, according to the report handed this office by J. B. Huddleston, sheepman of Lone Rock who attended the meeting.

The range of individual permittees will be segregated by the supervisor and those on which the bedding out system is not practical will be so designated. Sheep men who desire to use the bedding out system will be permitted to continue it, notwithstanding the suspension of the rules, it was stated.

Another ruling gained that pleased the flock owners was that in the future when a forest ranger makes a report on the condition of any range, he must furnish a copy of the report to the permittees. In the past, according to the reported statements of sheepmen, these reports have been made through channels in the forest service, and if the permittees faced charges of overstocking or in any other way abusing the range, the report did not get back to him until several months later, and he had no way to prove his innocence.

DAMAGE DONE AT CECIL. The electrical storm and water spout that struck the Cecil section recently, did a lot of damage to the ranches in that vicinity. At the Curtis ranch above Cecil the water came down the draw and washed rock, mud and debris into the front yard, over the garden and into the sheep sheds.

RECEIVE LAMBS HERE. H. K. Dean and E. L. Johnson of Heppner received 500 feeder lambs at Heppner on Tuesday from Anson Wright, Mr. Dean is superintendent of the experiment station at Hermiston and takes one car of the lambs to be placed on the station for experimental purposes. Mr. Johnson is feeding a band of 1000 lambs on his place on the project.

PIANO TUNING. Leave orders this week at Harwood's Jewelry store.
