

BOARDMAN

MRS. A. T. HERBIM, Correspondent.

Boardman was pleased to have many Heppner folks attend the recent fair here and believing it is...
The Greenfield grange is planning a Bon Ton social for Saturday evening. A jolly time is anticipated with a feed and program.

LEXINGTON

At a recent meeting of the Lexington high school student body the following officers were chosen to conduct its business for the year 1925-26:

President, Loren Leathers; vice-president, Velle Ward; secretary, Freds McMillan; yell leaders, Eva Padberg, James Leach.
At 2:30 p. m. on Friday Lexington's football team will meet Boardman's team on the home field. It is hoped that a goodly number will be present to encourage our boys along athletic lines.

EXAMINATION FOR FOREST RANGER WILL BE HELD

An examination for forest ranger will be held on October 27, in twenty-six different states, according to word just received by district forester C. M. Granger, at Portland. Important changes are that receipt of application will close on October 17, 1925. No applicant will be allowed to try the examination unless he has received an admission card in advance from the U. S. civil service commission, Washington, D. C.

Lexington Christian Church

All vacations must come to an end and most of them end at the same place where they started. And also we have seen a considerable portion of the Willamette Valley and westward to Washington. We came back to Lexington with renewed strength and a firm resolve to serve it's people in the work that God has intrusted us with renewed activity.

EXHIBITS ARE GOOD AT GRAIN DISPLAY

(Continued from First Page) the courtesy of the Moro experiment station. There was also a display of threshed wheats in jars taken from the Lexington nursery as a demonstration of seedling tests. These samples were of 6 different varieties of wheat, showing the yield and quality from date of seeding. The plantings were on Feb. 27, March 11 and March 25. The quality of March 25 was very much poorer than the others, and the average yield per acre was about 6 bushels less than that of March 11.
