FAMOUS SHORTHORN PEOPLE BACK AT BIG EXPOSITION Pretty much all of the old time famous Shorthorn people are back to the Pacific International again this year and on top of that some of the well-known breeders from far scattered sections of the country. Pacheco Cattle company, Hollister, California, formerly showed with us, and very successfully indeed. This year they are back after the absence of last year. They have been performing wonderfully well all over the circuit. The Black Hawk Ranch of Diablo, California, are sending their celebrated herd of Shorthorns; first time they have shown in the North, although they have been in the big circuit back East. This is probably one of the most celebrated bunch of Scotch cattle in the United States today as Easton & Ward sent a number of months in Scotland making their selection. Going to make a pretty competition when our old friends get together and besides this our old friend Hay Brown of the Highland Shorthorn Ranch, Sharpburg, Illinois, is going to represent the corn belt states.—Pacific International Exposition News Letter.

AMERICA'S GREATEST HORSE SHOW

Mrs. Roger Pierce of Hollywood, California, one of the country's most noted riders, and her hunter, John Peel.

THE Pacific International Horse Show, Portland, Oct. 31st to Nov. 7th, again takes the front of the stage in 1925 with the largest offering of premium money in America.

\$28,000 for the 55 classes to be shown of which \$10,000 is in stakes—seven of \$2,000 and five of \$1,000—make this a phenomenal prize list. The stake events are: Olympic Hotel, Seattle, \$2,000, for five-gaited horses; Seattle Horse Show Association, \$2,000, to be shown in two divisions as follows: \$1,000, five-gaited mares, and \$1,000, five-gaited stallions and geldings; Northwestern National Bank, \$2,000, for roadsters; Portland Chamber of Commerce, \$2,000, for heavy harness ponies; Sovereign Hotel, \$2,000, hunters and jumpers; Portland Hotel, \$2,000, heavy harness horses; Multnomah Hotel, \$2,000, three-gaited horses; W. F. Turner, \$1,000, junior five-gaited horses; Henry Thiele, \$1,000, Shetland ponies;

Olds, Wortman & King, \$1,000, polo mounts; Benson Hotel, \$1,000, fine harness horses; and Imperial Hotel, \$1,000, six-in-hand driving.

The greatest series of horse shows ever known is being held now in California at Stockton, Sacramento, Valparaiso and Pomona, all former shows being augmented by a flood of newly purchased show horses. According to General Manager O. M. Plummer of the Exposition and Horse Show Manager A. P. Fleming, a train load of livestock, of which 14 carloads are horses, will come from the east to Portland this fall, as will all the horses now showing in California.

The result of these additions will unquestionably enable the Pacific International to break the size and quality records now being made in the south.

The growth of the horse show feature of the Pacific International is one of the most significant facts of the comeback of the horse.

Activities of Former Morrow Folks Noted

Ike Howard Sends Items Concerning People Now Residing at Hood River.

To the Editor of Gazette-Times: Thinking that it might be of some interest to our Morrow county friends to know what some of the former residents are doing, I am sending you a few items from Hood River.

On October 3rd, Mr. and Mrs. Ike Howard left Hood River for Portland, where they visited for a few days and then proceeded on to McMinnville where their son James is attending Linfield college. McMinnville is the birthplace of Mrs. Howard, who with her parents, Mr. and Mrs. A. Andrews, moved to Morrow county when she was seven years of age. Several days were spent in McMinnville, when they were joined by Mr. and Mrs. George Horsman of Multnomah and proceeded to Eugene where they visited with Mr. and Mrs. Alex Lindsay. They have a 70-acre farm which is a part of the Elijah Bristow donation land claim, known as Pleasant Hill. Alex owns the townsite comprising a store building, blacksmith shop and several vacant lots. He is milking cows and raising white leghorns, and is also very much elated over the prospects for oil on his place, having leased it to the company who are at present drilling near Eugene. At Cottage Grove the Howards and Horsmans visited with the Craigs, formerly of Ione.

Born to Mr. and Mrs. Geo. Hanel (formerly Miss Irene Devin), October 14, at Hood River hospital, an 8 1/2 pound daughter. Grandpa Devin is wearing a smile that won't come off.

Mr. and Mrs. C. B. Bowers, who recently returned from Newport, are now at home on Sherman Avenue.

Dr. C. G. Chick, who has been ill for ten days, is convalescing.

Mr. and Mrs. Elbert Colvin are visiting in Eugene.

Jas. Howard and Miss Lola Rhodes were entertained at dinner on Sunday at the home of Mr. and Mrs. Geo. Horsman of Multnomah.

Mr. and Mrs. Frank Akers are domiciled at Mt. Hood where they have the management of the Devin ranch.

Mr. and Mrs. S. E. Moore of Ione were calling on friends in Hood River the past week.

IKI HOWARD.

SWEET SPUDS GOOD CROP. Sweet potatoes in the Irrigon and Boardman communities have been tried out by about thirty farmers with very good results this year. To get first hand information on growing methods, two tours were held in these communities September 5 and 6. The crop shows much promise and it is nearly always a good price with a ready market.

In 1924 192 cars of sweet potatoes were inspected in Portland. One of the problems to be worked out as this crop increases in acreage is a system of storage so that the potatoes can be properly cured and put on the market during the winter and not dumped at digging time.

Hairy Vetch Seed Available. About two thousand pounds of hairy vetch seed have been threshed by Adolf Skoube, of Boardman, and this seed is available to anyone wishing to try this crop in Morrow county. If vetch is planted with a good stiff strawed barley or wheat it will make an excellent hay crop. Mr. Skoube is holding the seed at ten cents per pound. f. o. b. Boardman.

Noise Parade Banned At U. of O. Homecoming

University of Oregon, Oct. 28.—(Special.)—The annual Homecoming noise parade has been banned.

This action was taken by the Homecoming directors, which decided to substitute a torchlight procession for the noise making machines and apparatus. The torches will display lemon-yellow and green flames, Oregon's colors. Pajamas will be worn by the paraders. A big fireworks exhibition on Skinner's butte above the city is planned. Homecoming is November 15, 14, 15, and several thousand former students and graduates are expected back for the week-end.

RESOLUTIONS OF CONDOLENCE.

Whereas it has pleased our Heavenly Father to summon to her Eternal Home our beloved sister, Sarah Casson, who was a faithful member of Ruth Chapter No. 32, O. E. S., for many years.

Be it resolved, that we bow in humble submission to the will of the Omnipotent, and extend to the bereaved family our heartfelt sympathy. That we drape our charter in mourning in memory of our departed sister; that a copy of these resolutions be spread on the minutes of the Chapter, a copy sent to the family, and one to the press for publication.
