Condon Base Ball Team To Be At Ione Next Sunday

This is to be the opening game of the season. Our boys have been practicing for several weeks and hope to take the first game. Condon will have the old reliable Cupie Clow and a good game is assured. For many years Condon has been the chief attraction on the Ione diamond and we hope to have the unusual snappy close game. The new grand stand will be finished and every one can have a good seat. Come out and show the boys that you appreciate their efforts.

Ione Host To Rebekah County Convention

Another of those interesting and successful affairs so dear to the hearts of members of the Rebekah lodge, and I. O. O. F. was held in Ione last Saturday afternoon, when a large number of Rebekahs gathered in annual convention at Hall of Bunch Grass Rebekah lodge, No. 91. Meeting opened at 1:30 P. M. by regular officers of Ione lodge, who immediately surrendered their chairs to officers of the convention; chairman, Ada Brown, Ione; vice-chairman, Etta Bristow, Ione; secretary-treasurer, Lillian Turner, Heppner. Mrs. Tiny Moore, in a splendid address of welcome, made the visiting lodges feel very much at home. Mrs. Lillian Turner, in a pleasing manner, responded to the address of Mrs. Moore.

Exemplification work of a sister visiting from another jurisdiction was nicely put on, Sister Olive Frye acting as visiting sister.

Following a recess came the opening question box, and discussion on using open bible in lodge rooms was followed by a beautiful talk by Sister Olive Frye on "A True Rebekah." Brother Frank Griffin gave an instructive talk on "Fraternity."

The following committees were appointed: Memorial, Question Box, Resolutions, Thanks and The Press. Ione lodge reported 124 members to date, their lodge is flourishing like the bunch grass for which it is named.

Lexington lodge reported 82 members and they are gaining in interest in their little lodge. They have given some benefit suppers, dances, etc.

Owing to bad roads Mistletoe Rebekah lodge, No. 23, Hardman, was not well represented, there being only two members present from that lodge, and no report was given.

A few members were present also from Morgan and it is understood that Morgan aims in the near future to organize a lodge.

San Souel Rebekah lodge, No. 23, had a large delegation present. They report their membership as 171 to date.

The following officers were elected for 1925 convention, which was voted to be held in Heppner:

Chairman, Florence Hughes, Heppner; vice-chairman, Etta Bristow, Ione; secretary-treasurer, Lillian Turner, Heppner.

Adjourned until 8:00 P. M.

At 5:30 a bounteous banquet was served by the Ione ladies, and let us say emphatically that these estimable ladies are hard to beat as cooks. The tables were fairly groaning under the weight of good things. Just here we wish to thank most heartily, not only those who served the banquet, but those ladies who so kindly threw open their homes to us. We thank you, Ione, for all your kindness.

Re-assembled at 8:00 P. M. at Legion hall for evening session. The following program was given:

Reading by Miss Swanson.
Piano solo by Mrs. Roy Blake.
Musical readings by Miss Fietheer.
Vocal solo by Lillian Turner.

Humorous reading by Rev. Mr. Head. Following the program all who were not entitled to sit in Rebekah lodge retired. San Souel lodge put on their degree team, with Mrs. Florence Hughes as captain, and initiated two candidates for Ione lodge. Reports of committees were listened to. A standing vote of thanks was tendered the legion boys for the use of their hall.

Regular officers took their chairs and the meeting adjourned at 11:30 P. M., with one and all reporting a happy time.

Here is a Combined Harvester That a Small Crew Can Easily Handle

Three or four men on the harvester, a wagon and a driver to pick up the filled sacks--there's your entire harvest crew with a Model 30 "Caterpillar" Lifetime Harvester. No more big harvest crews, big labor bills, or work and worry of hiring and handling the men. J. E. Pease, of Mansfield, Wash., who used a "Caterpillar" Harvester last year for the first time, says: "I'd hate to go back to the old way, for the harvester is a great labor saver."

Model 30 is a money-saver, too. It puts the grain in sack or bin at lowest cost per bushel. And it's a time saver, and a wonderful grain saver.

Model 30 has an 18 ft. header, 26 inch cylinder, 36 inch separator. Its power plant is the same dependable motor used in the 2 Ton "Caterpillar" Tractor, and is easily removable for use, after harvest, as a stationary power plant.

Caterpillar Harvesters All-Steel Models 30&32

Holt offers, in these two models, harvesters of all-steel construction that will give a lifetime of service. They have the Alomite lubrication system, Hyatt roller bearings, safety snap clutches, numerous other features. They are light weight and light draft machines, economical to operate, easy to handle, able to meet severe conditions of rough ground and steep grade harvesting. Model 30 cuts 18 ft.; Model 32, 12 ft. Write for details of these or larger size Holt Harvesters.

Needle Found In Cow's Heart

Geo. Ritchie, our meat man, butchered a 2-year old heifer at the Fred Pettyjohn ranch near Morgan Tuesday, that had a sack needle 5 1/2 inches long buried in its heart. Discovery was made in cutting up the beef. The animal no doubt swallowed the needle while feeding at a straw stack, working its way through the stomach into the width of the large part of the heart, there remaining cased in by the tough tissues.

Mr. and Mrs. Perry Hopkins were given a hearty charivari on last Thursday night on their return from Arlington where they were married by a Methodist minister. Many citizens gathered at the home to welcome the newly-weds and to wish them happiness, love and joy on the sea of matrimony. Cigars, candy etc. were passed around.

We're going to have an Easter Tea.

So please come out of your shell; To Paul Balinger's on Thursday, April three.

The rest we dare not tell.

Mr. and Mrs. C. M. Beck of Cleveland, Wn., was here the latter part of last week visiting his son, C. A. Beck and family.

Mrs. E. J. Bristow has been quite sick the past week.
