We were all glad to see J. P. Louy when he returned last Friday evening from his winter's visit with relatives at Custer, Ohio. He has been somewhat sick since his return with colds. Of course, everyone thought that Mr. Louy would bring home with him one of those pretty Ohio maids to keep house for him under the name of Mrs. Louy. Oh, well, there are some nice pick-ups around Ione and plenty of school marm's who are tired of teaching, so step out John and whisper the word into the bobbed haired ear.

Ione 14, Boardman 7

Boardman came to Ione Sunday with the intention of repeating the winning of the opening game, but were decisively outplayed by Ione. Roche was started in the box but his arm was useless and they made two hits in the first inning which resulted in 2 scores. Three hits in the 3rd gave them 3 more. Dutch Rietmann then went into the box and put the side out with the first three men up. The 5th gave the visitors 3 more thru a hit; a batter struck by a pitched ball, another hit followed by an error. The next four innings Dutch had the Melongrowers at his mercy and but 3 men faced him in each inning. Two hits and an error gave Ione 1 run in the 3rd. Two hits, a walk and an error and 1 more score in the 4th. Boardman players then blew up and our boys kept the bags occupied thruout the game, making 4 runs in the 5th, 2 each in the 6th and 7th and 3 in the 8th. The ball was pounded to all parts of the lot and most every Boardman man took a spree of making errors and threw the ball away most every chance. Arch Cochran finished the game by making a grand catch of a short fly after making a long run and picked the ball off the grass tops. Bristow went in after Cochran was disabled and played good ball making a hit and a score and was hit by pitcher once and then thrown out at home by a close margin.

Morrow-Gilliam County Base
Ball League Formed

Representatives from Heppner and Arlington met with Bert Mason Sunday and organized a league. Mgr. Shaw of Condon, was to have come thru Ione but a misunderstanding took him direct to Heppner, so he was not present. Bert Mason was elected President of the League and will also act as secretary. Each town will be represented on the Board of Directors by a business man from each town, said director is not to be a manager or player, but a fan who is interested in the good of the sport. E. E. Padberg has been appointed director for Ione. Bert Mason was directed to draw up a schedule for the season and has submitted his report to the different teams for approval.

Ione will open the season at Heppner April 13th and Arlington will go to Condon. By the schedule Ione and Heppner will each have six games but there will not be a game in the two towns on the same date. This will give the fans of Morrow county a chance to see a game every Sunday thruout the season which will end June 29th with Heppner playing at Ione. Ione will have games on April 20-27, May 18-25, June 15-29.

Condon, Heppner, Arlington and Ione comprise the teams and each team will take all home receipts and pay their traveling expenses.

Each team will be restricted to two salaried players and after May 1, only home players will be allowed to be added to the teams that is to include such students as may be away at school, or regular residents who may wish to get onto the teams, pitcher or catcher excepted. A suitable trophy will be awarded to the winning team at the end of the season and will be subject to next year's winner.

Walter Cochran Breaks Leg

In making a slide to home plate with the tying run in the 5th inning of the game with Boardman Sunday, Walter Cochran struck the plate in such manner as to break both bones of his right leg, the smaller bone near the ankle and the other just below the knee. A collection was taken before the game proceeded and the sum of \$120 quickly raised. Walter will be laid up for some time and desires to express his heartfelt thanks for this generous reminder which goes to show his popularity with the base ball fans who will be very much disappointed to miss this popular player in the Ione nine.

Ione high school boys defeated the Lexington school kids here Tuesday afternoon; score, 13 to 8. Hand us in your news items.
