All-Day Meeting At Christian Church Big Success

The all-day meeting held here last Sunday at the Christian church was well attended. The bible school met at 10 o'clock with an attendance of 75; a short Easter exercise, communion service and preaching in the forenoon. Then dinner was served in the basement of the church, provided for by the ladies and friends of the church. About 150 people enjoyed this fellowship and good time together, then at 2:30 p. m. another preaching service by Paul De F. Mortimore, which all enjoyed and the remarks were that it was the "best sermon ever."

Supper was served in the church at 5:30 and at 6:30 the Christian Endeavor meeting was called. Miss Anna Tillson and Miss Hazel Akers had charge of this service. Preaching again was held at 7:30. At nine o'clock everyone went home feeling they had had a full and profitable day.

The church is planning about the same program for next Sunday.

Ball Player Mashes Finger

Werner Rietman, 3rd baseman, had the misfortune Monday of having the middle finger of his right hand badly mashed in the gear of a pump jack. It may yet have to be amputated.

Entertain With Chicken Dinner

On last Sunday evening Mr. and Mrs. Omar Rietmann entertained a number of friends at their home, the main feature being a chicken dinner with all the trimmings which was much enjoyed by all; the remainder of the evening was spent in playing games. Those present were: Mr. and Mrs. Werner Rietmann; Mr. and Mrs. Fred Manken; Misses Louis Berning; Vera and Ruby Engelman; Alice Rietmann and Augusta Lindstrom; P. M. Roche; David and Victor Rietmann.

Never Too Old To Catch 'Em

Frank Griffin left Sunday for a three week's visit with his son-in-law and daughter, Mr. and Mrs. H. R. Kaiser, at Maupin, Ore. He intends to have a good time and fishing on the Deschutes river will be a daily occurrence, while a little spooning at night with an old school teacher friend of year's acquaintance, will help pass away the evening hours. So it is possible that his trip may prove profitable, both as to the finny and feminine catch. Here's wishing.

Some fine catches of trout are reported by fisherman during the past week. Judge Robinson and E. J. Bristow and sons caught 27 beauties on Rhea creek Sunday of which several were 14 inches long. Fred Nicholson fished on the same stream Monday and exhibited in town that evening an 19 inch rainbow trout.

Mrs. Katie Petteys received another surprise last Saturday night when her brother, George Ganger, and wife and sister, Mrs. Carrie McNeil, John Muir and wife, Elden Muir and wife and Jack Southwell, from Pendleton, drove over to be with her over Sunday, returning home Sunday evening.

Miss Zelma Engelman, accompanied by her friend, Miss Doris Geer, drove up from Portland Saturday to spend Easter Sunday, returning Sunday afternoon in order to resume their studies on Monday, both are attending the Benke Waiker Business College in Portland.

Earl Wright, an employee of the Ione bank, left Thursday for Baker, Ore., where he has been given a position with the Citizens Nat. bank. Mrs. Edna Hossner has been advanced to the position of asst. cashier.

Among the Lexington people who attended the all day meeting at the Christian church Sunday, were: Messrs. and Mesdames Cecil Warner; Walter Hill; Harry Dinjins; Mr. Cox and Miss Mary Thompson.

Condon may have the jinks on Ione on the Condon diamond, but Ione don't take a back seat when they meet the Wheat City boys before the home fans and our main aim was to take the Sunday game and we did it by showing the fans a real exhibition of the national sport. But one error was marked up against Ione and the boys gave Kewpie the hardest crubbing that he has ever met on this diamond. Condon is short of some of the old reliable players and the young players are hardly in the class of Ione.

Thornton did the pitching for Ione and allowed but one hit thru eight innings. Brown and C. Fritz then connected in the 9th, which cut off our hopes for a shut out. Thornton was suffering from a very lame hand, but stuck thru the game though unable to use his bat, he got onto the base twice. He has pitched four games for Ione and has allowed but 7 runs in all and has made 4 tallies himself.

Drake was the hitting and fielding star of the day, having made a 3-bagger, a 2-bagger and a single in four times up and robbed Brown of a hard hit. Werner and Dutch each put out a two base hit.

Arlington will play at Ione next Sunday and Condon will entertain the Heppner team.

Ione fans have been asking for a real ball team and our four wins without a defeat is beginning to make them think we are the real bunch they want and are giving the boys hearty support.

Come out next Sunday and see the game. We do not play at home again until May 18th, and we will have but five more games on the home lot.

Roche reports his arm getting in good shape again and when he and Thornton are on hand we can go up against any of our opponents with better than an even chance. Come out, boost the boys and help win the trophy.

The interior of the Engelman pastime has been painted and repapered which greatly adds to its appearance.

Tum-A-Lum has received a fine assortment of screen doors. Call and inspect them.

A woman's auxiliary to the K. K. K. was organized at Lexington Monday night.

Lee Padberg was in Heppner Tuesday afternoon transacting some insurance business.

A mixed car of cattle and hogs were shipped from here Sunday to Portland by Fred Raymond.

At this period of the year, use precaution that the cow's milk is pure. Disease lurks in milk.

Attorney Woodson of Heppner attended the Bristow & Johnson stockholders meeting here Monday night.

May 17th is the date set for another big dance and wrestling match at the Juniper Community Hall. Wait for bills.

Frost has killed all fruit here.

Only one house in four is well kept up by paint and varnish

EVERY year that painting is put off means many dollars loss to the owners of the other three, for paint is the most important part in the care and preservation of houses.

There is no substitute for good paint. If yours is one of the three homes that need paint, don't let it go another day.

Save the surface now and you will save it at considerably less expense than will be possible later on.

Come in and talk the matter over with us. We carry Rasmussen Paints and Varnishes and recommend them as the best for you to use for all exterior and interior purposes.

A Young Rietmann Arrives

Dutch Rietmann reports the arrival of a 7½ lb. son, at Heppner, Wednesday morning. Mother is doing fine and the new arrival, a natural left handed first baseman, is 'rarin to get in the game. Dutch promises to play the star game of his life Sunday, so the fans can depend upon first base being properly taken care of and several balls knocked across the creek.

Cheaper to Buy at Home

We asked a citizen yesterday why he did not take advantage of that closing-out sale at Heppner. He remarked: "What's the use of burning up gas running to Heppner when I can buy the same articles at Bert Mason's at the same price they have tagged on their wares."

Our curfew law works fine—the kids are at home at nine.
