IONE 4--ARLINGTON 3 CONDON 14--HEPPNER 5

The Ione cripples came thru with the punch in the 9th and won a hard fought game and the fans will live on base ball thru the week.

From the new faces shown in the Arlington lineup it appears that our sister city by the river has a rapidly increasing population and especially those who can play ball. We had been led to believe that Arlington had a sorry excuse for a ball team, but were surprised to note a bunch that are hard to beat and are glad to know that Arlington has been so fortunate as to have all those good ball players locate with them permanently as it will insure good games in the future.

With Walt Cochran and Werner Rietmann on the side lines in an ambulance and Thornton with a bandaged thumb, Bristow was brought in from the field to play 3rd and Roach obliged to fill in right field, we did not look like the usual team, but the combination worked out in fine shape. While we did not expect to see Bristow fill the gap at 3rd as it would have been with Werner, there he played a good, steady, game and the fans gave him due credit for being a good sub.

Roche does not pose as a fielder, but is there with the big stick and made three hits, one of which would have been going yet had it not tangled up in the trees by the school house.

Thornton has a bad thumb that interfered very much with his pitching and batting, but he came thru with a sacrifice and beat out two bunts. He was unable to get control during the first two innings, but then settled down and struck out 13 men and allowed but five hits. Anyone who did not get four hits worth during the last twenty seconds of the game, would kick on a free ticket to Heaven.

Play by innings: Carrell flew out to 5; Husted struck out; E. Ashenfelter hit for one base; LeMear hit for two bases; Anderson singled; Mefford reached base on fielders choice; Montague then walked; D. Ashenfelter out 6 3; Ashenfelter and LeMear scored. Cochran out by error; Eubanks hit into a double; Dutch flew out.

Bowers struck out; Carrell then walked; Husted struck out; E. Ashenfelter out by error; LeMear fly to 6; Carrell scored. That ended the scoring for Arlington. Lewis up in the fourth made a home run; Bristow struck out; Vick out to 4-3; Roche hit for two bases; Thornton and Cochran walked; Eubanks out on fielder choice.

That ended the scoring until the last of the 9th, when Roche, Thornton, Cochran and Eubanks came thru with singles and the score stood 2-3 with bases full. Dutch remembered his promise to the boy "that he would bring home the bacon," and stepped to the plate with his home run bat; a nice one came over and smack--it was last seen going over second in the direction of Mt. Hood.

Ione missed a good chance to score in the 7th. Cochran went out at first on a questioned decision; Eubanks came up, shifted the climax to the northwest corner of his face and met one of Bowers choice offerings for a three base hit. He then let the catcher peg him out. Dutch then walked and tried a steal, but was thrown out.

Score:
Arlington runs 210,000,000
hits 300,000,000
runs 000,100,003
Ione hits 012,200,115

Home run, Lewis; 3 base hit, Eubanks; 2 base hits, LeMear, Roche and Dutch; struck out by Thornton 13; by Bowers 4; first base on balls, Thornton 3; Bowers 4.

George Bleakman, republican candidate for county judge, was here last Saturday afternoon to witness the Hardman town boys ball team defeated by the Ione high school team by a score of 10 to 8. Mr. Bleakman says he has received favorable reports from over the county and that he expects to give other aspirants a race for their money.

At Arlington last Friday afternoon, Ione high school team defeated their boys by a score of 12 to 7.

Do Not Impose Upon Your Bank

A number of people are in the habit of drawing checks or overdrafts upon their banker when they have no money, in direct opposition to the law. It is a bad habit and places the cashier in a bad way. Below we reprint a news item which cites the law and burden placed upon the bank: "Webster J. West, cashier of the First National Bank of Lodi, Calif., is under arrest at Medford, Ore. Five counts of the indictment charge West misappropriated funds of the bank in honoring checks and drafts for persons who did not have sufficient funds on deposit in the bank to cover the checks."

G. A. Petteys and family left Sunday for their future home at Mt. Hood, where Mr. Petteys is putting in a filing station on the J. C. Devin property near the dance hall. Fred Ray trucked over the household goods Monday and in making a grade the clutch failed to hold, running back into a ditch with small injury to the furniture.

N. J. SINNOTT

Republican Candidate for Re-election to Congress

Voters of the Second Congressional District are urged to send "Nick" Sinnott back to Congress because:

- He is a member of the House Steering committee.
- He is chairman of the Public Lands committee, an important committee to Oregon.
- He is a member of the Irrigation committee, also of importance to Oregon.
- He has done more for Eastern Oregon than any Congressman ever sent to Washington from this district. Numbered among his accomplishments are: Secured \$900,000 for the Baker Irrigation project, secured passage of the Mineral Leasing act, which enlarged Oregon's reclamation fund; secured appropriation for construction of McKay dam, Umatilla project; supported legislation for the veterans of World war; secured \$7,500,000 for National Park roads, including Crater Lake National park; \$150,000 to combat pine tree beetle in Oregon; through Forest Service in having large body of timber surveyed in Wasco county, which, when sold, will bring industry to county.

And many other important matters which are of benefit to you and his district. Read your Voter's pamphlet and then form your opinion of "Nick" Sinnott. "Why Change Horses in the Middle of the Stream." Your Congressman Needs Your Vote.
