Farm Leaders Recognize Worth

Leaders of great farm organizations such as the Grange, the Farmers' Union and others, regard Senator McNary as a distinct and very valuable asset to agriculture in the United States Senate. Dr. T. C. Atkinson, legislative representative of National Grange, says that "Senator McNary has done splendid service for agriculture and that he is a profound student of agriculture in its relation to the legislative and executive branches of government."

"Men can be found in abundance in public life who will talk glowingly and even convincingly of the greatness of agriculture and the splendid achievements of the farmers," writes A. D. Fairburn, contributing editor of the Farmers' National Magazine. "An ignorant friend of agriculture is about as beneficial to the tillers of the soil as a well-informed enemy. Senator Chas. L. McNary, of Oregon, has not only championed the cause of the farmers in the United States, but he has so well grounded himself in agricultural economics as to be of the highest possible value to those who clothe and feed the nation."

Read the announcement in this issue of Helen Walker, candidate for county school superintendent; a capable lady, efficient and an ideal candidate for the office. We hope that the reader will lend his or her support to the election of Helen Walker.

To The Voters Of Morrow County, Oregon.

The time has expired for the announcement of candidates for the county offices and no one has announced for the office of County School Superintendent.

I am a duly registered member of the Republican party; I have all the requirements prescribed by law for the office of County School Superintendent; I have taught in Morrow county for four years; three years at Lexington and one year as Principle of the Hardman school.

I am married and have a family of two boys and my husband is teaching with me.

If the Voters of Morrow county will write in my name on the Primary Ballot as Candidate for County Superintendent of Schools, and I am nominated, I will accept the nomination and if elected, I will qualify and give my very best efforts during my term of office to the schools of Morrow county.

Dated this 30th day of April, 1924.
H. WALKER.

McNary's Popularity Simply Won't Take The Count

Senator McNary must seem to be a most obstinate critter to certain Portland papers and politicians who have been predicting and maneuvering for his campaign to take a toboggan, because every time they try to slip a skid under his popularity the darn thing simply raises the majority of votes he will receive. Chas. L. McNary will be returned to the senate by Oregon because the people know that he is on the job in his sincere, quiet, efficient way and that ever since he has set foot in Washington his influence for legislation needed by the state and the west in general has born more fruit than all the grand standers and standpatters we ever elected to Congress. - Arlington Bulletin.

The 105th anniversary of the Odd Fellows order was celebrated at Heppner last Saturday night in fitting style, and was attended by a large number from the Ione lodge.

At the close of the preach services at the Christian church Sunday night, several were baptized by Rev. Mortimore.

Mrs. Laxton McMurray returned home Wednesday from McMinnville where she had been called on account of the illness of her sister, Mrs. Chas. Howe. Mrs. Howe has improved sufficiently as to be able to return to Ione with Mrs. McMurray.

The little son of Walt Corley who has been very sick, is under the care of a doctor.

Mrs. A. M. Moore and daughter, were visitors in Heppner this week.

Mrs. E. P. Newton has returned to her home in South Bend, Wn.

The Christian church revival was a great success thru the efforts of evangelist Mortimore.

Cecil News Items

Ed Cline, wife and son Floyd, left last Saturday for Tillamook, where they will visit friends.

Mr. Lawrence and wife of Portland, are here to visit Mrs. Krebs at The Last Camp, for awhile.

Mrs. T. H. Lowe and daughter Miss Annie, called on Mrs. Geo. Miller at Highview, on Monday. Krebs Bros. finished shearing Wednesday and Jack Hynd will finish in a day or two.

Mrs. Logan and son Gene, of The Willows, accompanied by W. Wise and wife of California, who are spending the summer months in Oregon, were callers on friends here last Friday.

Wid. Palmateer and family of Windybrook, also Charlie Gray and family of Morgan, spent Sunday in the Rock creek district fishing. We don't know what they were fishing for, but it certainly wasn't fish. Not even the scale of a fish could be seen when the travelers returned home.

Heavy frosts have hit Cecil. Great damage has been done to peaches, apricots, prune, etc.

Morgan Life

While taking care of his team, Franklin Ely was kicked by a mule, but not much hurt.

Mrs. Harbison has returned to Morgan, but her sister-in-law is yet quite ill at Corvallis.

E. B. Gorton has the lumbago. Oh, my!

Bert Palmateer hauled 200 sacks of fine early baart wheat to the warehouse last Wednesday. For years untold, Hal Ely has made it a point to take the first load of the new crop to market and Bert came very near being held up on the road.

Nearly all of the early sown fall wheat is in the "boot" and rain will be in great demand before long. If rainmaker Hatfield would only settle down here and keep the moisture supply just where we want it all the time, he need seek no further for an independent fortune.

Mr. Witzel and family and Al Troedson and family spent Sunday afternoon picnicing in the shade above McNabb.

NOTICE

Secure your irrigation permits from Recorder or water will be shut off.
