### Ione Shuts Arlington Out

The Ione Mule Skinners went to Arlington Sunday and administered a shut out to the river team, while they crossed the plate for 5 scores. The Arlington diamond is a nice camp ground, but a sorry excuse for a ball park and owing to the fact that the foul lines were not properly staked and lined out, the umpire was badly handicapped and two Arlington batters were called safe at first base on what were really foul hits, but we hold no grudge at his umps, for he did a good job and was fair in his decisions.

Thornton was the whole show, or was it his "lady luck?" He promised to have a helper on the side lines to whom he must make a showing and he certainly made good as he held Arlington to four singles and struck out 12 batters and to make things safe, on his first trip to the plate he lined out a hit which cleared the goal posts at the park entrance and went so far that he was across home plate before the ball had been stopped on its trip to Alkali canyon. He has promised to have the same lady on the line at Condon next Sunday, so things look pretty bad for Condon.

The game, 1st inning: Cochran out 4-3; Eubanks out 5-3; Dutch flew out to 5; Carroll out 6-3; Husted out 4-3; Drake muffed fly from E. Ashenfelter; LeMear out 4-3.

2nd inning. Drake singled; Lewis forced him at second; Bristow forced Lewis at second; Vic forced Bristow at second; Anderson flew to third; D. Ashenfelter 1-3; Mefford walked; Montague grounded to third.

3rd inning. Roche out 4-3 and Thornton made home run; Cochran out to 3; Eubanks singled; Dutch singled and Eubanks was thrown out 8-5; Bowers out to Dutch; Carroll out to Vic; Husted out to Vic.

4th inning. Drake struck out; Lewis reached first when cather missed third strike; Bristow sacrificed; Dutch out to pitcher; E. Ashenfelter reached first on fly on rock on foul line; LeMear and Anderson struck out; D. Ashf flew to Eubanks.

5th inning. Roche flew to short; Thornton singled and forced out by Cochran; Eubanks got first on error at short; Dutch struck out; Mefford out by error 6; Montague singled; Bowers struck out and Carroll out 2-3; Husted struck out.

6th inning. Drake fanned and Lewis walked; Bristow singled and was forced out by Vic; Roche out 1-3. E. Ashf fanned, LeMear fanned; Anderson singled and D. Ashf fanned.

7th inning. Thornton flew out to pitcher; Cochran safe on error to first; Eubanks out 1-3; Dutch safe on error at left field; Drake out 1-3. Mefford flew out to 7; Montague and Bowers fanned.

8th inning. Lewis on by error at first; Bristow on by error at third; Vic on by error at second; Roche knocked one so far over the camp ground that it took a relay string of three men to chase it down and return it to the diamond, and by that time Roche had single footed it to 3rd base and three scores had crossed. Thornton singled; Cochran on by error at first; Eubanks out 6-3. Carroll fanned; Husted on by error on foul line; E. Ashf single; LeMear flew out to 8 and Anderson out 4-3.

9th inning. Dutch singled and forced by Drake at second; Lewis out 1-3 and Bristow on by error at first with Vick out to 2-3. D. Ashf singled and Beeson fanned; Montague single and Bowers fanned and Carroll flew to pitcher. Struck out by Thornton 12; by Bowers 3.

Score:  
Arlington runs 000,000,000  
hits 000,011,002  
Ione runs 001,000,130  
hits 012,011,021

The school board has appointed Principal Tucker for another school term. Prof. Brown will also remain, and we learn that the other six teachers are to hike to other localities for a job with more pay. No contracts have as yet been let for construction of the new school house.

E. J. Bristow, E. R. Lundell and Judge Robinson fished for several days this week on the Deschutes river near tunnel 4.

### To The Republica. Voters Of Morrow County

Mr. A. R. Shumway of Milton, Oregon, is a candidate for the joint representative of Morrow and Umatilla counties to the state Legislature, subject to the wishes of the Republican voters at the primaries, May 16th.

I have known Mr. Shumway for the past 20 years; have been intimately associated with him for the past several years. He is a man of sterling qualities, knows the needs of the farmers, being a farmer himself, and will, in my opinion, represent our county in a manner highly satisfactory to the agricultural interests of Morrow and Umatilla counties.

I am appealing to my friends and all of those interested in seeing Morrow county well represented at the State Legislature to cast their vote for Mr. Shumway May 16th.

## United States Senator

## CHAS. L. McNARY Republican for Renomination

### WHAT HE HAS DONE

During his seven years in the Senate he has secured—  
\$31,020,269 for Oregon Development

- \$ 9,255,762 for Rivers and Harbors
- \$ 9,080,000 for Reclamation and Power
- \$11,138,107 for Public Roads
- \$ 507,900 for Agriculture
- \$ 310,500 for Forest Protection

This is more than has been secured by any other Western Senator in the same period.

His powerful committee assignments and his prestige in the Senate equips him to accomplish even greater things for the continued development of Oregon's Resources and Industries.

It would take years for a new man to attain his present position of prominence and influence.

## OREGON NEEDS HIM

His slogan: "For Oregon; Its People and Their Welfare."

## "LET'S KEEP NICK"

# N. J. SINNOTT

Republican Candidate for Re-election to Congress

Why throw away 11 years of constructive work by a man of ability to produce results for his district

SINNOTT is a member of the House Steering Committee, an honor achieved only by men of high standing and long service in Washington. Means much to Oregon.

SINNOTT is chairman of the Public Lands Committee. Oregon's welfare, in a large way, is in its public lands.

SINNOTT is a ranking member of the Irrigation committee. Eastern Oregon needs irrigation for development.

## SINNOTT HAS SECURED

- Passage of the Sherman County Relief Bill \$7,500,000 for National Park roads
- \$150,000 to combat Pine Tree Beetle in Oregon
- \$900,000 for Baker Irrigation Project
- \$300,000 for Crater Lake Park roads
- \$4,000,000 for Oregon Reclamation
- \$50,000 for Umatilla Rapids Project
- \$10,000,000 concessions to the irreducible school fund of Oregon

- Inclusion of West Extension of the Umatilla Project in reclamation program
- Opening of Wasco county timber resources for development
- Action on McNary-Haugen bill in house of representatives
- Appropriations for construction of McKay dam, Umatilla Project

The public press of Eastern Oregon and Portland has repeatedly praised Nick Sinnott for his untiring, constructive work. Why change now to try a new and inexperienced representative?

Read your Voter's Pamphlet. Then go to the polls Friday, May 16, and do something for the man who has done something for you.

## "LET'S KEEP NICK"

Vote for Helen Walker.

### Unconscious for Four Years

Death has come to Mrs. Evelyn Sample, of Corey, Pa., aged 78 years, after she had lain unconscious for almost four years. She was struck by a street car August 5, 1920, and never regained consciousness. During the entire period she received liquid nourishment thru the nostrils. Death was attributed to hemorrhage of the brain.

The old lady has nothing over several individuals in Ione. They have been unconscious so long that its noticeable, but they will not die of brain hemorrhage -- no chance.

### How Many Laps?

A maid entered a suburban bus, and firmly grasped a strap, and every time they hit a hole she sat in a different lap. The holes grew deeper, the jerking worse.

Till at last she gasped with a smile "Will someone kindly tell me, please

How many laps to a mile?"

Mrs. Bert Mason and Walt S. Smith are on the Morrow county grand jury which meets Monday.
