Today, is Memorial Day and  
should be properly observed by  
our citizens.

Earl Murray and family are now  
living on their ranch southeast of  
Ione, until after wheat hauling.

Phil Doherty, a very fine Irish-  
man, left Ione last Saturday with  
a string of four horses for Whit-  
ney, Ore., in Baker county, where  
he will have charge of many  
sheep for the next four months.

Mr. and Mrs. J. Troedson and  
young son, Carl, left Monday for  
Ritter Spring near Monument, to  
be gone two weeks. Son Carl  
will bathe in the waters of the  
spring, fish, and renew the vigor  
of his young manhood. Oh, joy!

If money will move his renter,  
L. J. Padberg who was here from  
Portland the first of the week  
says he will move to his farm in  
about a month.

## Ione 5, Heppner 4

Ione wins second game from  
Heppner Sunday by a close mar-  
gin while Condon was defeating  
Arlington 12 to 2, which leaves  
Condon and Ione tied for first  
place and each team has lost but  
one game since the league opened  
up, though Ione defeated Condon  
and Boardman in the independ-  
ent series, making eight wins  
and but one defeat for the year.  
Werner Rietman was back into  
the game and made the hit that  
brought in the winning run in the  
last of the ninth.

Heppner secured a hit in each  
first and second innings without  
a tallie and in the third Cason  
walked, McFerrin fanned, Moore  
singled, Anderson walked and  
Roberts 3 bagger brought in 3  
tallies, Aiken out 6 3.

Bristow was the first Ione man  
to make a hit which was in the  
5th, the sixth inning Werner out  
6-3, Thornton fanned, Cochran  
and Dutch each singled, Drake  
got on thru an error and Eubanks  
made a hit which brought in 3  
runs. Heppner came back in the  
7th after McFerrin and Moore  
were out, by a hit by Anderson,  
followed with a two bagger by  
Roberts which scored Anderson  
and tied the score, three all.

Ione went out 1, 2, 3, and the  
eight Stout hit a slow grounder  
which Vic fumbled; Hughes sing-  
led, Crawford flew to Eubanks,  
McFerrin reached first on a wild  
throw after Cason had got on thru  
a fielders choice; Hughes scored  
on the wild throw and Moore was  
out 5-3. Werner out 1 3; Thorn-  
ton walked, Cochran hit a 2 bag-  
ger, Dutch on by error of short;  
Drake fanned and Eubanks out  
1-3; Thornton scored on Cochran  
hit and tied the score 4-4, the 9th  
found Heppner with Anderson  
up and he fanned; Roberts got on  
by an error of short and stole 2d  
and was sacrificed to 3rd by Aiken.  
Roberts then went to sleep about  
20 feet off third and was an easy  
out; Roche to Werner.

Lewis first up for Ione went out  
4-3; Roche came up and lined out  
a 2 bagger; Vic fanned and then  
the old stand by Werner came  
thru with the hit which scored  
Roche and ended the game.

Heppner fans evidently did not  
expect their boys to make such  
a good showing and were very  
conspicuous by their absence and  
missed the best game their boys  
have put up this season. Roberts  
was the main cog of the machine  
and struck out 10 men and hit a  
three bagger and a two bagger  
and stole two bases.

Earned runs, Heppner 2; Ione 3;  
Errors, Heppner 6; Ione 5.

Struck out by Roberts 10; Roche  
1; Thornton 8.

First base off balls, Thornton 4;  
Roberts 2.

Three base hit, Roberts.  
Two base hit, Hughes, Roberts,  
Cochran and Roche.

The Morrow Gilliam League  
seems to be suffering from poor  
patronage and it now looks as if  
the season will be cut short, as  
Arlington had disbanded and Ione  
had to pay their expenses in order  
to get them to Ione last week.  
Heppner is behind with finances  
and Manager Shively has an-  
nounced that he was thru. Con-  
don has had very small crowds  
and have announced that unless  
Ione should come to Condon  
ahead of schedule, that they  
would be unable to continue.  
Ione has been the only team to  
draw a paying crowd at Condon.

With the exception of the last  
time Arlington was here, we have  
made some money, but the Hepp-  
ner game which should have  
been our best paying game, was  
next to the lowest for the season

## Large Crowd at Exercises

Thursday evening the com-  
mencement exercises of the Ione  
High school were held in the Le-  
gion hall. The speaker for the  
occasion was Prof. N. H. Comish  
of the Oregon Agricultural Col-  
lege, who gave a splendid ad-  
dress. The class was the largest  
ever graduated from the local  
high school. Nolan Page gave  
the Valedictory and Eleanor  
Swanson the Salutatory. The con-  
ference scholarship was present-  
ed to Helen Balsiger. Each mem-  
ber of the class did his part well  
and the class as a whole made a  
splendid showing.

After the exercises of the  
evening were over, the class and  
high school teachers were in-  
vited to a reception at the home  
of Mrs. C. W. Swanson, mother  
of Carlton Swanson, one of the  
graduates. Ice cream and cake  
were served and a very enjoyable  
time was had by all present.

The teachers of the school have  
separated for the summer, and  
most all have gone from Ione.  
Some of the last to go are Mr.  
Tucker and family and Miss  
Hurst, who left Tuesday morning  
for Salem and Philomath, Ore.

## NOTICE

Dr. Clarke of the Clarke Stram  
Optical Co., will be in Ione on  
Tuesday, June 3rd, all day and  
evening at the Ione Hotel, for the  
purpose of testing the eyes and  
making any adjustment of glasses.

If your eyes are giving you any  
trouble, call on Dr. Clarke and  
have him look your eyes over  
while he is in the city.

Dr. Clarke makes Ione once a  
month, which makes it very con-  
venient for those that are unable  
to come into town to have their  
eyes taken care of.

## All Bids Too High

At a meeting of the school board  
held Tuesday afternoon, all bids  
opened were rejected as too dern  
high. The bids ran as follows:  
\$59,992; \$46,270; \$46,440; \$47,915;  
\$43,240; \$56,547; \$47,638. The  
bids as submitted seemed to run  
along a certain channel and no  
doubt several would have had a  
juicy slice of the profit had any  
one captured the prize. Instead  
of submitting the the plans to  
several architects, our illustrious  
board secured the services of but  
one at a high price, who drew a  
nice colored picture of a school  
which was to cost \$40,000. He  
no doubt just guessed it. And  
the board has been harpooned to  
the quick. They now intend to  
appeal again to the taxpayers for  
more money at this particular  
hard period of the year—will  
they get it? To the average little  
citizen, it looks like the Portland  
bidders were trying to run over  
a game on this school district on  
a plan similar to the Portland  
bridge scandal. The school board  
would do well this time to seek  
legal advise before they stub  
their toe again.

Mrs. D. I. Matlock.

We yet think it will rain.

and base ball can not be run  
without the support of the pub-  
lic. Should the league disband  
we could still have a game with  
Condon on our grounds, as these  
two teams always attract the fans.  
Arlington owes Heppner a game  
and will play same off May 30th,  
which will likely be the end of  
league ball for this year.

## trouble begins at the surface

CRACKS appear, joints open up,  
boards warp. These are some of  
the signs of surface trouble which  
lead to other and more costly trou-  
bles, unless arrested by the use of  
paint.

Your house and buildings might be in trouble  
right now. It's a good time to find out. Then  
get in touch with us and let us help you decide  
what is best to do and how to do it. We have  
Rasmussen Paints and Varnishes in stock.
