## Condon Wins 6-1

Sunday afternoon we met the enemy and we were his'n.

The season record now shows Condon and Ione each three times the winner. The Condon team only has been able to take the count from Ione this season.

We have defeated Heppner twice, Arlington three times and Boardman once.

The largest crowd of loyal boosters that has appeared on Ione grounds this year was on hand to witness the final game, and should have been treated to a better exhibition.

A little moonshine, a few bad plays, and Kewpie Clow's phenomenal pitching made too strong a combination for the locals and one lone run was all for us.

Cochran first up for Ione singled and stole a base and scored on Drake's single. Roberts struck out and Roach was out 5-3.

The blow-up came in the sixth after Ione had held the visitors scoreless and with but three hits thru five innings. Parrish was safe when the ball was dropped at first, Ortman singled, R. Fitz out 4-3, and Brown was safe while the ball was being juggled; C. Fitz on error at short, Miller singled, Wilkins flied to center and Wheir was out 1-3. During the airplane spin Condon put four men across on two hits. Clow, first up in the 7th fanned, Parrish was hit by pitcher, Ortman fanned, R. Fitz on by error, Vic Brown singled; C. Fitz fanned; Condon two more scores on but one hit.

Score, Ione:  
Runs 1000000000  
Hits \* 201001110

Condon:  
Runs 000004200  
Hits 000212101

Earned runs, Ione 1, Condon 0.  
Struck out by Roberts, 9, by Clow, 7. Hit by pitcher, Roberts 2, by Clow 1. First base on balls, off Roberts, 3.

Accompanying them were Homer and the Misses Ruth and Fern Morgan of Carlton, Oregon. This is the girls' first trip to Eastern Oregon. They enjoyed the scenery all along the way, and also the wheat fields around Ione.

## No Place Like Home Says Mr. Heliker

Ernest Heliker and family returned this week from an extended auto tour through the eastern and southern states, including in their journey a considerable stay in Illinois, Indiana, Michigan, Ohio, Virginia, the Carolinas, Georgia and Florida, and covering in all some 11,000 miles.

Mr. Heliker was renewing his acquaintance with scenes and persons whom he had not seen for fourteen years. The family wintered in Florida, not far from Miami and West Palm Beach.

He says that enjoyable and in every way satisfactory as the trip was, he is glad to be again in good old Oregon.

While the family looked everywhere east and south for their ideal of a home location, they did not find it till they saw again the hills of Morrow County.

Mrs. E. F. Head, wife of the Congregational Pastor, is spending a few days at the parsonage.

Mrs. Head is Postmistress in the town of Cathlamet, Washington. This is her first visit to our fair city.

**Remember**  
it costs more not to paint than to paint

FIGURE it out for yourself. A little money, now, to save the surface of your home and buildings, or a considerable sum of money for repairs and replacements—which?

Unpainted surfaces leave the field clear for rain, wind and sun to do their damage. Ramshackle houses and out-buildings, once so new and storm-tight, gaping corner boards, warped and rotting window frames—all directly result from failure to paint. Either you have to go in for expensive repairs, or let the entire building investment go. How much better and cheaper it would be to keep the buildings painted!

The cost of even slight repairs on your home or buildings would practically pay for repainting them entirely. It is a good thing for every property owner to know, and heed, that a coat of paint stands between him and serious loss.

## Paint now with good paint

Paint with Rasmussen Pure Paint. The cost will be trivial compared to the protection it will give against rot, rust, and general deterioration.

Look over your property—all of it, and do it now. Then come in and talk over your paint troubles with us. We have Rasmussen Paints and Varnishes in stock—and we recommend them.
