## Mason's Store Broken Into

A thief broke into Bert Mason's store Sunday night and escaped with one dollar in small change taken from the cash register.

He had evidently been thru the store quite often, as he entered by a window which he pried open in the Ladies Rest Room, after tearing off a screen, this being perhaps the easiest way to break in. The thief left a hammer by the safe and was frightened away, presumably by a mule that was straying around behind the store.

Fred Lindsay and his mother have decided to leave this district and will move down the valley to make their future home.

Mr. Lindsay has rented his place to Roy Stender, of Cecil, Oregon.

Miss Evelyn Ware has been visiting the past few days with the family of Mr. Herb Olden.

She left Tuesday morning for her home at Olympia, Wash.

## Not so many steps

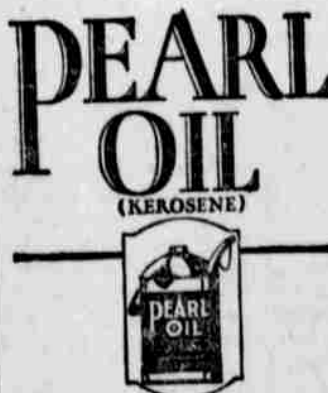

—no coal or wood to lug  
—one filling lasts for days

—Steps! how many of them Pearl Oil and a good oil cook-stove save you! Those needless steps for heavy coal, for wood and the ashes.

One gallon of economical Pearl Oil often lasts for days, and it is so much handier and quicker.

Pearl Oil's intense flame is concentrated heat—and it is odorless and clean-burning too! The Standard Oil Company refines and refines it for best results. Avoid disappointment—ask for Pearl Oil by name.
