W. O. Livingstone Takes Church at Hood River

The departure of Rev. W. O. Livingstone to his new field of labor at Hood River entails a loss, not only upon the congregation which he and his wife have so long and so efficiently served, but upon all Morrow county.

From the date of his coming among us in 1920 Rev. Livingstone has been identified with every thing that tends to moral and social uplift. His work has always been characterized by a broad spirit of Christian brotherhood.

We understand that Rev. Mr. Livingstone will continue in charge of the work at Heppner till Sept. 1. Mrs. Livingstone goes at once to Hood River and will assume charge pending the arrival of Rev. Livingstone.

The field at Hood River includes two churches some three miles apart and the projected program includes the consolidation of these two congregations.

Rev. and Mrs. Livingstone carry with them our best wishes and to Hood River we extend our congratulations.

Not so many steps

—no coal or wood to lug
—one filling lasts for days

—Steps! how many of them Pearl Oil and a good oil cook-stove save you! Those needless steps for heavy coal, for wood and the ashes.

One gallon of economical Pearl Oil often lasts for days, and it is so much handier and quicker.

Pearl Oil's intense flame is concentrated heat—and it is odorless and clean-burning too! The Standard Oil Company refines and re-refines it for best results. Avoid disappointment—ask for Pearl Oil by name.
