## MORGAN LIFE

Hal Ely and family returned last Monday from a short visit with friends in Walla Walla, Washington.

W. F. Palmeter was called to the valley by the illness of his brother Henry Palmeter. He was taken to Arlington in time for the afternoon train by Franklin Ely.

Pat Medlock and Noah and Fred Pettyjohn have been working at Cecil for the last week.

Some friends of Mrs. Sleighvought arrived in Morgan Monday evening and were met by Mr. Sleighvought.

Mr. and Mrs. R. E. Harbison and Este and Martin Baurenfiend returned from Portland Friday evening. They report having a pleasant trip, but Mr. Harbison said that what struck him most forcibly was the rough condition of the Columbia highway.

James Hardesty and family made a short call on Mr. and Mrs. Streeter last Friday.

Bert Palmeter and wife returned from the valley last Friday. While gone they made a trip to the beach.

Henry Streeter was trading wheat with James Hardesty last Saturday.

Several families from Morgan attended the Congregational services at Ione last Sunday.

R. E. Harbison and son, also James Hardesty are taking advantage of the dry season and putting a fence across the creek, trying to outwit the cattle.

Fred Pettyjohn and family took dinner with S. Edwards last Sunday.

Pat Medlock and family, also Noah Pettyjohn visited with James Hardesty and family Sunday evening.

Noah Pettyjohn and family spent Sunday afternoon with Mr. S. Edwards.

The B. & B. store at Morgan will receive your watch repairing for Haylor the jeweler, Heppner.

## Sound Farm Program

North Dakota Agricultural college shows that the state has reduced its grain acreage 2,733,000 acres since 1919, last year's acreage being 8,402,000 acres. The College survey shows that diversified farming has absorbed almost all the decreased grain acreage; dairying, hogs, flax, potatoes, corn, tame hay, feed crops. The College report says that this is the result of determined effort of the farmer to better his condition, and that it is markedly successful. Without national wheat legislation, the farmers are solving their own problem of better returns and are doing it on a business basis rather than on a legislated make-shift foundation.—The Manufacturer.

Miss Zelma Engelman departed Sunday for Portland and expects to remain there for some time.

Dr. Walker made a trip to Portland, Sunday, and returned with his wife and children. Mrs. Walker who has been ill for some time is slowly improving in health.

## CECIL ITEMS

Mr. and Mrs. Jim Hardesty and family of Morgan were visiting with H. J. Streeter and family at Cecil on Saturday.

Mr. and Mrs. Everett and son of Wasco are spending a few days with their daughter Mrs. L. L. Funk, near Cecil.

J. J. McIntire of "Killarney" was transacting business during the week, at the county seat.

Franklin Ely of Morgan was calling on his friends in the vicinity of Cecil on Tuesday.

Krebs Bros., of "The Last Camp" finished stacking their third crop of hay on Wednesday. Hay has cut very light. Jack Hynd commenced haying on Tuesday at "Butterby Flats."

Mrs. Geo. A. Miller and son Elvin of "Highview" were visiting with Mrs. T. H. Lowe at Cecil on Saturday.

Bob Lowe and Noel Streeter of Cecil were doing the sights of Ione on Sunday.

Zenneth Logan from Boardman, "The Land of Promise," was a Cecil visitor on Friday. His main object was to see if Cecil was still "on the map" after being visited by so many terrific sandstorms. Zenneth still found Cecil as live as ever.

Mr. and Mrs. McMillan from Lexington were calling in Cecil on Sunday.

Wm. G. Hynd and brother David of Sand Hollow were the week end guests of their brother Jack at "Butterby Flats."

Miss Thelma Morgan of "Broad acres" was calling on her Cecil friends on Tuesday.

Mr. and Mrs. Roy Ray and family of Lexington have moved into the Logan cottage at Cecil. Roy is State Highway Patrolman for this part of the country.

Rev. W. O. Livingstone was visiting with friends at Ione Thursday of this week.

Mr. Allinger was in Portland on business this week, and returned to Ione Thursday.

Mr. E. S. Ackerman will leave for Portland Friday morning and after spending a few days there expects to continue to Seattle for a visit with friends and relatives. He hopes to return to Ione in about two months.

W. F. Taylor left Wednesday morning by auto truck for Portland, where he will spend a week or ten days.

Elisha Sperry and wife returned Wednesday from Portland where they have been spending a few weeks.

"The Old Homestead" at the Legion Theatre Saturday night. Through an error this show was advertised for last week, but will be here Saturday at regular prices.

I have a full stock of furniture which I am selling at 10 percent reduction.

All kinds of furniture repaired.  
 S. E. Moore.

## By the way-

Have you laid in that supply of Wood and Coal for winter? We have a large stock on hand at reasonable prices.

Materially yours,  
**Tum-A-Lum Lumber Co.**

## World Wide Communication

The connecting link between London and Boston for radio communication has been established and messages of goodwill with Europe have been exchanged.

Instant transmittal of messages to our neighbors across the Atlantic is one of the achievements of the Radio Corporation of America, said General Harbord, president of the corporation in announcing the Boston service.

Establishing physical circuits, connecting continent with continent and nation with nation, will have a tremendous civilizing influence in the direction of goodwill and co operation.

The long arm of radio connects American commercial and social life with England, France, Italy, Germany, Norway, Poland and Japan.

In a demonstration at the opening of the Boston station, six minutes and thirty-two seconds passed from the time the message was sent until the answer was received. Further, as a test of the wonderful world-searching power of radio, the operator at Boston picked up the captain of the S. S. Berengaria, 1045 miles east.

Millions of people all over the world are beginning to understand the wonderful benefits and blessings of the miracle achievement of the Twentieth century. The Manufacturer.

Fairview schoolhouse is receiving a new coat of paint and a new roof. Clark Bros. have the contract.

Mrs. Troy Bogard who was quite sick the first of the week is somewhat improved, although still confined to her bed.

Miss Zoe Farrens who has been attending Bellingham Normal school this summer, returned to her home in Ione Thursday evening.

Mrs. Troy Bogard who was quite sick the first of the week is somewhat improved, although still confined to her bed.

Miss Zoe Farrens who has been attending Bellingham Normal school this summer, returned to her home in Ione Thursday evening.

Miss Violet Hynd of "Butterby Flats" left on Wednesday morning for Portland where she will join her mother and brother Jackie for a few days before taking up her duties at her school near Ione.

E. W. Morse, county Agent, was busy distributing rabbit poison in the Cecil district on Wednesday.

Elmer Tyler of Rhea Siding was spending a few hours with his pal Noel Streeter and planning what could be done to celebrate their last week's vacation before settling down to school work for another year.

Through an error this picture was advertised for last Saturday night, but it will be shown this Saturday at the regular prices.

**REGULAR PRICES**  
 Adults .25c  
 Children under 14 .10c

## The Legion Theatre Presents "The Old Homestead"

**Don't put it off—put it on!**  
 IT'S mighty poor economy to postpone painting or varnishing, whether it be the inside floors and woodwork or the outside exposed surfaces. What wear and tear are doing on the inside, rot and rust are doing on the outside—slowly pulling down the value of your property through surface neglect. To put paint and varnish on before it is needed, and not after, is true economy. Damage is under way just as soon as the surface is broken down, which is often before you realize it.

**Buy good paint - it's cheapest**  
 Cheapest because it protects the surface better, lasts longer and goes further. Rasmussen Paint and Varnish Products are made in one of the finest paint factories in the United States—the largest in the Northwest. They are made by experts who have an intimate knowledge of Northwest climatic conditions—a knowledge gained through many years of actual contact with these conditions. The strict maintenance of Rasmussen Quality governs every step in the making of these paints and varnishes—from the first selection of the lead, oil, and other materials, to the final sealing and labeling of the can. There's no better paint than Rasmussen Pure Paint—we add our guarantee to the manufacturers'. Bring your painting problems to us.

*This is the feature—That cuts fuel costs*  
 EVERY LANG RANGE manufactured is built around the famous HOT BLAST principle and contains the LANG HOT AIR DRAFT, both original, patented features. Forcing the heat entirely around the oven, utilizing every particle of fuel and heating every inch of cooking surface, the LANG range is by far the most economical kitchen range on the market. Today LANG stoves are used and endorsed by thousands of American housewives.
