UNION PACIFIC SYSTEM

Mrs. Feldman's daughters departed Tuesday for Sunnyville, California, where they will attend school this year. They made the trip to Portland with their father and completed the journey with Mesdames Corson and Sperry.

## The Legion Theatre

Presents  
Thomas Meighan in  
"BACK HOME and BROKE"

George Ade, America's leading humorist, wrote this story especially for his friend, Tom Meighan. More laughs to the reel than any comedy ever produced. And a real "home town" romance.

Don't put it off—put it on!

IT'S mighty poor economy to postpone painting or varnishing, whether it be the inside floors and woodwork or the outside exposed surfaces. What wear and tear are doing on the inside, rot and rust are doing on the outside—slowly pulling down the value of your property through surface neglect.

To put paint and varnish on before it is needed, and not after, is true economy. Damage is under way just as soon as the surface is broken down, which is often before you realize it.

Buy good paint - it's cheapest

Cheapest because it protects the surface better, lasts longer and goes further.

Rasmussen Paint and Varnish Products are made in one of the finest paint factories in the United States—the largest in the Northwest. They are made by experts who have an intimate knowledge of Northwest climatic conditions—a knowledge gained through many years of actual contact with these conditions.

The strict maintenance of Rasmussen Quality governs every step in the making of these paints and varnishes—from the first selection of the lead, oil, and other materials, to the final sealing and labeling of the can.

There's no better paint than Rasmussen Pure Paint—we add our guarantee to the manufacturer's. Bring your painting problems to us.

## By the way-

Have you laid in that supply of Wood and Coal for winter? We have a large stock on hand at reasonable prices.

Materially yours,  
Tum-A-Lum

Lumber Co.

C. W. Swanson has purchased the stock of goods at the McMurray pastime and on Wednesday of this week was moving it to the brick building adjoining his chop mill.

Principal Tucker and family have returned from their vacation which has been spent in various points in Western Oregon.

Mr. Ray Beezley and family of Grass Valley arrived Thursday evening for a few days visit with Mr. and Mrs. Lou Davidson of Ione. They departed for their home Sunday evening.

This is the feature—That cuts fuel costs

EVERY LANG RANGE manufactured is built around the famous HOT BLAST principle and contains the LANG HOT AIR DRAFT, both original, patented features. Forcing the heat entirely around the oven, utilizing every particle of fuel and heating every inch of cooking surface, the LANG range is by far the most economical kitchen range on the market. Today LANG stoves are used and endorsed by thousands of American housewives.
