**Cheaper to paint than to repair**

THERE'S no denying the fact. Take a look at some of the homes and buildings in your locality and you'll admit that repair costs would be far greater than the cost of many coats of paint.

Paint saves material and labor bills. Paint saves worry. It's cheaper to paint than to repair.

Rasmussen Pure Paint gives you the fullest surface protection. We have it, and other Rasmussen products, too.

**EXCURSION FARES**

In the whole World there is no contest so intensely exciting, and with more thrilling and spectacular climaxes, than the riding of "outlaw" bronchos by cowboys and cowgirls.

Those contests, as also the wild horse races, wild steer roping and bull-dogging, Indian dances and pow wows are all that remain of the young, wild, vigorous, yet lovable West.
