IONE, OREGON, FRIDAY, OCTOBER 10, 1924

NUMBER 18

Notice of Sale of Stock Under Agister's Lien

Notice is hereby given that the undersigned will on Friday the 10th day of October, 1924, at the hour of 2:00 o'clock in the afternoon of said day, at the farm of E. H. Turner, about two miles North of Ione, Morrow County, Oregon, sell, to the highest bidder for cash in hand, the following described animals:

1 bay mare, weight about 1300 lbs. not branded.

1 black mare, weight about 1100 lbs. branded C on left shoulder.

1 gray mare, weight about 1000 lbs. not branded.

The above described animals being the property of Sam Barrette or Magnuc Sedlund, such sale is for the purpose of satisfying my claim for pasturing and keeping said animals since the 21st day of June, 1924, amounting to the sum of \$28.00 and for pasturing said animals from the date hereof until the day of sale, and for the costs of said sale and this advertisement.

Dated at Ione, Oregon, this 24th day of September, 1924.

E. H. Turner.

Mr. and Mrs. C. M. Beck, Mrs. Weer and Mr. Steve Ward, all of Cleveland, Wash., visited with Mr. C. A. Beck and family this week, arriving Saturday and departing for their homes Tuesday morning.

They came to Ione from Boardman where they have been visiting relatives.

Lexington Defeats Boardman

What promised to be a tie game between the Lexington high school and Boardman football teams was turned into a 6 to 0 victory for Lexington when Sherer accomplished the unexpected in the last half minute of play.

Up until the last few minutes of the game the contest raged back and forth from one end of the field to the other. Neither team seemed likely to score; no advantage favored either side. The break came in the last minute of the game. Lexington had possession of the ball and but one half minute to play. In a last effort the team resorted to strategy. Glenn Sherer took the ball on a fake end run reversed, and leaving the Boardman line in confusion raced fifty yards for a touchdown.

Only five seconds were left to play and a kickoff ended the game.

Lexington was without the services of Walter Rowell in the backfield which greatly weakened the eleven. The Board of Control has since declared him eligible and he will play in all the future games.

Oddfellows Hold Conference At Pendleton, October 14

Pendleton Oddfellows have invited lodges of Ione and vicinity to attend a meeting for the promotion of the interests of the order.

The meeting will be held Oct. 14, and will be attended by the Grand Master, Grand Warden, Grand Secretary and other state officers.

The program and entertainment will be furnished by the Pendleton Lodge.

Biennial Report of County School Supt., Morrow Co.

During the last biennium, notwithstanding the heavy tax burden and crop failures, our schools have shown a tendency for betterment of all educational facilities.

In comparing the past two years with the preceding two years and basing our findings on the disbursements for elementary schools and the number of children in attendance, we find a decrease of \$29.00 per pupil in cost of maintenance. This however did not in the least cause a reduction in efficiency.

In some districts salaries were lowered, in others raised so that the average salary paid teachers in our one room rural schools shows an increase of \$4.55 per teacher. All teachers employed were certificated before the opening of schools so that temporary certificates were not granted. School boards were more careful in the selection of their teachers and with but few exceptions pupils passed their examinations successfully.

A new school district was formed last fall comprising 63 1/2 sec. valuation \$297,930, census 18. This district has not built a school house yet. Pupils are attending the Heppner school. In place of furnishing transportation the pupils board will be paid by the district.

At Alpine, District No. 27, a high school was organized. The requirements for a standard four year high school have been met and they are waiting for the State Department to declare it a standard school. This will make seven standard high schools and one Union High School which is also a four year standard school.

We feel proud of the fact that Heppner High was recognized by the Northwest Association last spring, making the 28th high school in the state to meet its standard.

The Alpine district was bonded for \$10,000. A two room building with basement has been erected, one room will be used for high school and one for the grades. Part of the funds were used for equipment, part for water and part for converting the old building into a teacherage.

Oddfellows and Rebeccas Combine in Surprise Party

Saturday evening, October 4, was the sixty-fourth anniversary of Frank Griffin's birthday, and the Rebeccas and Oddfellows united in tendering him a surprise party in honor of the occasion.

The plan for the party had been a well kept secret and Mr. Griffin's surprise was complete. He rallied, however, and entered heartily into the spirit of the evening. As he lighted the sixty-four candles on the six story cake that had been provided for the festivities, he told the company that the year 1860 had been distinguished by two events of prime importance—the election of Abraham Lincoln to the presidency of the United States and the arrival of Frank Griffin in this vale of tears.

Personally he had long been of opinion that the latter event was more important and he was pleased to note that the trend of fraternal sentiment in Ione was in the direction of the same conclusion.

The birthday cake had been built on the same generous proportions and on the same lines as Mr. Griffin himself, and when the candles were lighted it seemed a veritable lighthouse of fraternity, illuminating with its friendly radiance every corner of the lodge room and every heart present.

After a most enjoyable program of games, refreshments consisting of cake and coffee, sandwiches and conversation were enjoyed.

The gathering broke up at a late hour after wishing Mr. Griffin the enjoyment of the good things of life through many years to come.

Local High School Eleven Wins Opening Game 25-0

The Ione High School football team went to Hardman Saturday and won their first game of the season from the Hardman team, by a score of 25 to 0. For the first game of the season and for most of the Ione team, the first game ever played, the boys did exceedingly well. Hardman outweighed the Ione boys on the average, but this was more than made up by the playing of the Ione back field, which at times played more like the last than the first game of the year.

At the opening of the game Hardman won the choice and chose to defend the east goal, and kicked off to Ione. On the first play Graves went through left tackle for eight yards; Bristow made about the same distance on the next play through tackle. A forward pass by Bristow to Erwin was incomplete.

After a few plays Ione lost the ball to Hardman on a fumble, but Hardman was held without any gain and was forced to kick.

After a few plays Bristow made about twenty yards on a criss cross play and Graves made the first touchdown on a tackle play in which he got away for about forty yards. Linn missed the goal kick after touchdown. In the second quarter Ione scored two more touchdowns, one on a criss cross by Bristow, and the next on an end run by Bristow. Linn kicked one goal but missed the next. The last score by Ione came in the middle of the third quarter when Graves made ten yards and a touchdown on a criss cross.

At no time during the game did Hardman threaten to score. The only big gains that they made were on criss cross plays with Knighten carrying the ball. Once in the second quarter he got away for thirty five yards, and in the third quarter he made about thirty yards on the
