Cecil News Items

Harold Ahalt left on Friday for Moro, Sherman county, where he will spend the winter trapping for the Government.

J. T. Keyes of Salem arrived in Cecil on Friday to look over some land in the vicinity of Cecil before leaving for Portland.

J. Warfield and T. B. and F. Wilde, all prominent citizens of Morgan were calling on L. L. Funk at the Logan cottage on Sunday.

Miss Mildred Duncan spent the week end with her parents on the Busy Bee ranch. Miss Duncan is a student at Boardman high school.

Mr. and Mrs. Alfred Medlock and children were visiting friends in Morgan on Sunday.

Mr. and Mrs. H. J. Streeter and children spent Sunday with J. W. Osborn and Mrs. Weltha Combest.

Al Henriksen of Pendleton still thinks there's no place like Ewing. Mr. Henriksen was the week end guest of W. V. Pedro.

W. V. Pedro is the busiest man on Willow creek, and if he keeps the good work going he will have the show place on our end of the county.

M. V. Logan of The Willows has been busy for the past few days hauling straw etc. from his brother's ranch in Fourmile with the assistance of Sydney Willmott.

Charivari Given Newlyweds

William Raymond Barnett and Esther Logan were married on Monday of this week at the Penitencostal Mission in Portland, and arrived in Ione where they will make their home, on Tuesday.

Tuesday evening a large number of their friends descended upon the home of Mrs. Bowers where the young people are staying and gave them an old fashioned charivari. Refreshments were served and while the bridegroom was off his guard some of the guests carried the bride away into temporary captivity, returning her later.

In the morning the street and yard were found to be decorated with a miscellaneous assortment of cowbells, tin pans and other noise making instruments.

Lundell, Robinson and Bristow returned from the Deschutes river last week. The boys got some very nice fish but it was so cold that it froze them out. However they brought back enough fish to make the pan stink pretty loud.

Geo. Henriksen accompanied by his father Chris Henriksen of Portland left on Tuesday for Canby where they will visit friends for a few days.

Congratulations are extended to Miss Esther W. Logan, only daughter of the late Boyd Logan of Cecil, on her marriage to William Raymond Barnett of Ione during the week, in Portland, Oregon.

Ione High Defeats Condon

Ione High won the second game of the season from Condon High on the Condon field last Saturday by the score of 26 to 12. Ione outplayed Condon all thru the first half of the game and had the score 19 to 0 in their favor at the end of the first half. But in the last half the weight of the Condon back field began to tell and Condon was able to put over two touchdowns to Ione's one.

Condon won the toss at the beginning of the game and kicked to Linn of Ione who ran the kick back 20 yards before he was downed. Ione marched down the field and in a few minutes had the ball on Condon's ten yard line. Twice Condon's line held and kicks were attempted by Linn, Ione recovering the ball the first time and Condon the second. On the first play Condon fumbled, and the ball was recovered by Lundell. On the first play after this Graves received a pass from Bristow and crossed the goal line for the first touchdown. Linn missed the goal kick.

Ione kicked to Condon who fumbled again on the second play, Ione recovering the ball. Just at the beginning of the second quarter another pass from Bristow to Graves was good for 15 yards, and Bristow carried the ball across on a criss cross play. Linn again missed the goal kick. Again just before the end of the second quarter George Ritchie recovered a fumble in the middle of the field and with Bristow and Graves for interference ran 45 yards for a touchdown. This time the extra point was made and the score stood Ione 19, Condon 0.

In the second half Condon was

Mrs. Mary S. Cogswell

Mrs. Mary S. Cogswell died at the home of her daughter, Mrs. A. F. Nelson of Tillamook, on October 14th. She was eighty-four years of age.

Her death was the result of injuries received from a fall a short time ago. Five children survive, William, Jacob, Hugh, Arch, and Mrs. Jessie Nelson.

the first to score; after Ione had again worked the ball to Condon's ten yard line, a fumble gave the ball to Condon who by line plunging together with two twenty yard passes crossed Ione's goal line. Condon then kicked to Ione and Bristow made the best run of the day carrying the ball through the whole Condon team sixty five yards. Two more plays, a pass from Linn to Bristow, and a criss cross with Bristow carrying the ball for twenty yards gave Ione their last touchdown. This time Linn kicked goal. Condon scored again just before the close of the game on several completed passes. Final score Ione 26, Condon 12.

The players who showed up best were Bristow, Linn and Graves in the back field and Goo. Ritchie at end for Ione, and Inman and Morgan in the backfield for Condon.

Friday Ione plays the strong team from Lexington High. Lexington has most of last year's players back, and will average ten or fifteen pounds heavier than Ione. But those who have seen the Ione team play are sure that it will be a real game even though the odds are heavy in favor of Lexington.

Oddfellows Hold Convention

A meeting of Oddfellows of Umatilla and Morrow counties, called at the instance of the Grand Master of the Jurisdiction of Oregon was held at Pendleton Tuesday evening, October 14. There were present the Grand Master, a number of Grand and Past Grand Officers and representatives of nearly all lodges in the two counties mentioned.

The Grand Master reviewed the condition of the lodges in the jurisdiction and submitted plans to boost the membership and influence of the order.

The plans were referred to a committee composed of representatives in attendance. The committee after deliberation reported unanimously in favor of the adoption of the plans proposed by the Grand Master.

A number of inspirational talks were made and at the close of the session an oyster supper was served by the membership of Eureka lodge. Ione lodge was represented by George Richie, Frank Griffin, Lee Howe, Lee Padberg and Charles Shafer.

Rebeccas Initiate Two

Last Thursday night at the I. O. O. F. hall the Rebeccas initiated a class into the mysteries of the Rebecca Degree.

There were about fifty in attendance and the ladies put on the work in a way to make anyone proud of being a member.

After lodge was dismissed the members had a Hallow E'en party that was very enjoyable.

A witch was present and all who had their palms read were perfectly satisfied. There was a marsh mallow race and the Vera had to get on her knees to make the pesky thing behave, she won first prize.

Several goodlooking men were invited to a needle threading contest with one eye shut. The writer did not learn who won the prize in this contest but can vouch that each of the contestants had a black eye when it was over.

We will have to take our hats off to J. P. Louy when it comes to eating doughnuts. He eats them hole and all. Pumpkin pie doughnuts and coffee were served at the close of a very merry evening. We hope we may spend another such an evening in the near future.—One Who Was There.

Leave your watch repairing at Swanson's Feed and Supply Store for Haylor the Jeweler, Heppner.
