**WHICH STATE WILL GROW?**  
Washington NO Income Tax  
Oregon INCOME TAX  
California NO Income Tax

WE HAVE EXAMINED copies of the documentary evidence as to the effect of a state income tax upon Oregon. We are satisfied as to the genuineness of the documents.  
We find that this evidence substantiates the claim that many millions of dollars have been diverted from investment in Oregon industries that would provide a home market for Oregon agricultural products.  
We find the damage is so serious and of such extent that we appeal to our neighbors and to voters in all parts of Oregon to vote for the repeal of the present income tax and to oppose the enactment of any new state income tax bill, at least until such time as the other Pacific Coast states have enacted similar legislation so they cannot grow at Oregon's expense.  
We do not object to paying a state income tax, but we do object to imposing a tax that keeps capital out of our state, retards state development and tends to leave our farmers dependent upon distant markets.  
We resent the tendency to give Oregon the reputation of being a "backward state." Oregon's resources and the courage and enterprise of her pioneer people entitle her to a great destiny. Let us all join hands to rid Oregon of legislation that handicaps Oregon development.
