## Auto Accident Near Cecil

While on his way to a ranch near Alderdale, Wash., McMeniman's car and a Ford driven by E. H. Turner collided about one mile below Cecil last Saturday night. It is understood that on meeting the car driven by Mr. Turner, McMeniman drove too close to the edge of the road with the result that the front wheel went over the bank, throwing the rear of the car toward the center of the road. Mr. Turner's car crashed into the rear of the Dodge, losing a front wheel and a fender. One of the rear wheels of Mr. McMeniman's car was broken and a fender bent, but after a few repairs by J. H. Bryson, he was able to continue his trip.

Mr. McMeniman is a former Heppner attorney and is now practicing law in Portland.

Mrs. Guy Cason and children and her uncle, Louis Padberg, arrived here from Portland on Monday. Mrs. Cason will remain in Ione during the illness of her father, E. L. Padberg, and take care of the Padberg children.

Mr. and Mrs. R. C. Mathison left on Friday of last week for Portland where they will spend about two weeks visiting relatives.

Mrs. Cason and Arlie Padberg made a trip to Pendleton on Tuesday to visit their father E. L. Padberg who is seriously ill at the Pendleton hospital. Mr. Padberg's condition is reported to be unchanged.

## Pres. J. S. Landers to Speak

Friday evening, December 12, the citizens of Ione and surrounding places will have an exceptional opportunity in hearing Pres. J. S. Landers of the Oregon Normal School. Mr. Landers is an educator and lecturer of wide experience and reputation, and his subject, "The New Emphasis in Education" is said to be one of great interest, especially to those who are interested in the local school problems. No admission will be charged, as Pres. Landers is coming solely for the purpose of inspiring community interest in the local schools.

The lecture will be given in the new high school auditorium at 7:30 P. M.

Don't forget the Lexington high school play to be presented in the Lexington Auditorium, at 8 o'clock on the evening of December 13. "It Pays to Advertise" is a play well worth your time and money, and one you will be glad to have seen. It is seldom that a high school attempts such a heavy play, but Lexington is going to put it over b.g. Remember the matinee at 2 o'clock for children, seats 15c. Seats for the evening performance are only 50 cents. Come early in order to get a good seat.

H. C. Wood, local real estate broker and Al Zink spent a few days in South Bend, Wash., last week on business. S. W. Thompson, a real estate dealer of Vancouver, Wash., accompanied them on their return to Ione.

A collision between cars driven by Cecil Sargent and Wesley McNabb occurred last Sunday night between Ione and Jordan Siding. In meeting on the road the lights were dimmed but a spotlight apparently blinded Mr. Sargent, and the impact that followed threw Mrs. Sargent and children out of the car. Mrs. Sargent was slightly injured and the children suffered a few bruises. Except for a broken wheel on each car, not a great deal of damage was done.

Don't forget the big Xmas dance at Ione December 20.

## High School Notes

The seniors of Ione high school will present the one act comedy, "Bobby" by Norvell Thompson, on December 19, in the high school auditorium. This play deals with the adolescent love affairs of Bobby, a spoiled young man who is engaged to several girls at the same time, all of whom he thinks, are madly in love with him. Come and find out how he gets out of the mess. The play will be given to cover the graduation expenses of the seniors. The admission will be 25 cents for adults and 10 cents for children. A carnival will be held following the play.

The baskets were put in the gymnasium Friday by Mr. Allison of Lexington, aided by Mr. Tucker and some of the high school boys. The basket at the south end of the gymnasium is stationary but the other one is on hinges so it can be raised in order not to obstruct the view of the stage.

The first practice was held Friday but the floor lines were not painted until Saturday.

No practice was held Monday because of the fresh paint.
