RELIEF COMMITTEE BRING BACK THE BACON

STATE ADVANCES COIN FOR SEED

Local men will pass on loan applications

As the result of the representations made by the committee appointed from the different wheat growing counties of the State, House Bill No. 261, was passed as an emergency measure, by the House and Senate and received the Governor's signature.

The bill provides for the appropriation of not more than \$1,500,000 for the purpose of making loans for purchase of seed wheat to be secured by first mortgages on the crop in favor of the State of Oregon.

The rate of interest is fixed at 6 per cent and it is provided that the Board of Control may, in its discretion, extend the period of credit for one year from January 1, 1926, on or before which date, all loans granted under the provisions of this act become due.

A local advisory board has been appointed by the Board of Control to pass upon the applications for loans, whose recommendations are the basis of final action by the Board of Control.

The Advisory Board or Com-

mittee appointed for this County is made up of the following named gentleman:

C. E. Woodson, W. P. Mahoney, R. S. Morse, Walter Hill and C. R. Gunzel.

The prompt action of the Legislature and Board of Control have saved a difficult situation but it should not be forgotten that only the forceful and convincing presentation of the condition by the local committees made such action possible.

Slim Bonner who joined the regular army a year ago is in Ione enjoying a ten day furlough.

Mr. Bonner is stationed at Vancouver. He reports army life very enjoyable.

Tuesday of this week, Mr. and Mrs. Ralph Akers went to Portland where Mrs. Akers will consult a specialist.

Don't fail to take in the basket ball game between Ione and Condon this Friday. Reports from Condon say that the games recently played between these teams are the fastest seen in that city for many a day.

Mr. H. C. Wood, Ione's live wire real estate dealer, made a quick business trip to Walla Walla the first of the week.

The Brotherhood of Locomotive Engineers has opened a labor bank in Portland, Oregon with a capital of \$250,000.00.

This is the 15th. bank of the kind in the U. S. The combined resources of these banks total \$150,000,000.

REV. MORTIMORE LEAVES IONE

Accepts call to First Christian Church of Gladstone, Oregon

Next Sunday will be Mr. Mortimore's last service in Ione. Tuesday a public reception will be tendered him by the congregation of the local Christian church and on Wednesday he expects to leave for his new field of labor. The acceptance of this call will make possible a continuance of his studies at the Eugene Bible University. Mr. Mortimore has been Pastor of the local Christian Church since early last spring. Following an Easter meeting he was called for such time as he could spare before re-entering college. It had been hoped that he could stay until the coming Fall but the opportunity to secure a desirable position at this time has caused him to change the arrangement.

The Christian Church has not yet arranged to call a minister to succeed Mr. Mortimore but plans are underway to do so at an early date.

Many have expressed regret at Mr. Mortimore's leaving and the reception Tuesday night, is to be of a public nature to which the community at large is invited.

Mrs. C. R. Gunzel was so unfortunate last week to fall while engaged in house work and injured herself so severely that she has been confined to her bed since.

As we go to press she is reported as a little better.

VICTIM OF PARALYSIS RECOVERS

Morgan, Oregon, Jan. 29, 1925.

Mr. Dwight Misner Spokesman of the relief committee and people of Cecil, Morgan, Ione, Eightmile, Lexington, Heppner and vicinities for the relief of John Gray and son Gerald Howard and other children.

We are glad to write you our boy can walk seemingly as well as ever and his speech is gradually coming back to him. The other children are all well again and our boy is going to be alright in every way as near as we can tell now.

We would like to express our appreciation and thanks to you and committee men and to all contributors in so many needed ways which was rendered to us so abundantly.

So many sympathetic letters and kind words through so many anxious moments were a great help to us.

Dr. Walker's special services with the aid of the good and kind nurse sent to us by so many kind people, under God our Father saved our dear little man to us.

Again let us thank you for the kind acts so much needed and so much appreciated by us.

Gratefully Yours,
Mr. and Mrs. John Gray.

IN MEMORIAM

In memory of E. L. Padberg, who died, Jan. 26, 1925.

"So let him sleep that dreamless sleep,

Our sorrows clustering 'round his head:

Be comforted, ye loved who weep, He lives with God; he is not dead."

Once again death hath summoned a Brother Oddfellow, and the golden gateway to the Eternal City hath opened to welcome him to his home. He has completed his work in the ministering to the wants of the afflicted, in shedding light unto darkened souls, and in bringing joy unto the places of misery, and as his reward has received the plaudit, "well done," from the Supreme Master.

AND WHEREAS, The all-wise and merciful Father has called our beloved and respected Brother home.

AND WHEREAS, He having been a true and faithful Brother of our Mystic Order, therefore be it

RESOLVED, That Ione Lodge No. 135, I. O. O. F. of Oregon in testimony of her loss, tenders to the family of the deceased brother our sincere condolence in this deep affliction, and that a copy of these resolutions be sent to the family.

HEPPNER COMMERCIAL CLUB HOLDS ROAD RALLY

JUDGE DUBY ADDRESSES MEETING

Extension Of Road System Fully Discussed

Heppner Commercial Club comes to life with a well attended meeting and much valuable information regarding the road problem was learned. Judge Wm. Duby, of Baker, Chairman of the State Highway Commission and Divisional Engineer Baldock were present and gave some facts and figures and it is very plain that it is up to Morrow County to get busy if we are to get state aid on our part of the Oregon-Washington highway. Umatilla County has promised to finance the Umatilla County part of the road, whenever we are ready. It will cost about \$165,000 to complete the Morrow County share one-half of which would be paid by the State. Judge Duby is not an orator, but expresses himself in a very plain and business like manner and made it understood that he was talking as an individual road lover and not committing the State Commission by his talk, and it is apparent that if Morrow County makes the proper showing that we might not be called upon for our full one-half of the cost.

Records kept last year showed a peak travel of 800 cars per day, over the Columbia highway, at Heppner Junction, or an increase of over 20 percent over the previous year. The same record showed a decrease of 4
