Preparation have been made to send a large number of cars to Condon, Saturday, carrying Elks to the ball and banquet given by the Grant, Wheeler, and Gilliam county Elks. It is planned to have Heppner cars come in a body to Ione, where they will be joined by the Ione Elks and proceed to Olex, where the Arlington Elks will join the caravan and go to Condon in full force. At this hour also the Degree Staff of Bunch Grass Rebecca Lodge conferred the degree in a most impressive manner. Reports of the committees on thanks and resolutions were presented and adopted. Sister Whetstone gave a brief address in which she congratulated the lodges on their splendid exemplification of lodge spirit and procedure.

## A DAUGHTER'S HOME-COMING

The home of Mr. and Mrs. O. E. Lindstrom of Morgan was the scene last Friday evening of an unusually happy gathering of friends from the surrounding countryside. The event was in celebration of the homecoming of their daughter Gussie and husband; Mr. and Mrs. C. L. Crutcher of Portland. Gussie is one of the fairest of our native born daughters and neighbors vied with each other in greeting her estimable young husband, who were married in Portland at last Christmas time; this being their first trip home to receive both their parents' and their neighbors' blessing.

In spite of the strenuous condition of farm work the turn out of neighbors was a housefull and guests stayed until a late hour engaged in social converse, games and in the enjoyment of a bounteous repast spread by, mine host and lady.

Besides Mr. and Mrs. Lindstrom and family and Mr. and Mrs. Crutcher the following families, as nearly as the scribe can recall, were present in force: Johann Troedson, Al Troedson, Crabtree, Stender, Misner, Morgan, Harbison, Ely, Palmateer, Markin, Turner and Baurenfeind.

After a week at home the young couple returned to Portland last Sunday, where Mr. Crutcher is engaged in business.

## CREAM LOTION

Nature gives every skin a moisture to keep it soft and smooth. But every day washing, housework, shaving and powdering, wind, alkali dust, hard water, cold, and sun steal away this precious moisture. That's what makes skin coarse.

CREAM LOTION, however, is scientifically prepared to put back into the skin a precious moisture exactly the same as nature's. It's the all-round skin guardian.

Guaranteed to give satisfaction
