BASEBALL PLANS GOING FORWARD RAPIDLY

Ione to have team in spite of a late start caused by bad weather conditions

Owing to the extremely cold and windy weather of the past few Sundays the turn out for baseball organization has not been completed and some of the more anxious candidates have joined forces with Heppner, however, with the coming of warm weather we will be able to pick up a team which will keep Ione on the base ball map as in the past.

INCOME TAX DRAW-BACKS

In eight years the federal income tax collected was more than \$30,000,000,000. Refunds amount to \$40,871,672.72, and refund applications numbering 277,548 are now on file. The House appropriations committee asks \$150,000,000 additional to cover the 1925 refunds. Some of the refund will be counter-balanced by back taxes to be collected for evasions or misunderstandings.—The Manufacturer.

CREAM LOTION

Nature gives every skin a moisture to keep it soft and smooth. But every day washing, housework, shaving and powdering, wind, alkali dust, hard water, cold, and sun steal away this precious moisture. That's what makes skin coarse.

CREAM LOTION, however, is scientifically prepared to put back into the skin a precious moisture exactly the same as nature's. It's the all-round skin guardian.
