Game Ends With Score at 4 to 1 With Local Tossers On the Long End.

The Ione ball team motored to Lexington last Sunday afternoon and beat Lexington by a 4 to 1 score.

The game stood 1 to 1 until the fourth when the game was delayed by rain, but after the clouds blew over the Ione boys proved the superior.

Young Bristol was the "Babe Ruth" of the day having making Ione's first score with a circuit drive over the left fielder.

We understand Lexington is to play Pine City at Lexington next Sunday. At this writing the local boys haven't a game scheduled for Sunday.

Spirituality of Music

Music is dual in its nature; it is material as well as spiritual. Its material side we apprehend through the sense of hearing and comprehend through the intellect; its spiritual side reaches us through the fancy (or imagination, so be it music of the highest class) and the emotional part of us.—Krenbiel.

SEVENTY YEARS YOUNG THIS APRIL

Friends' Celebrate Birthday Anniversary of Mrs. Petteys

April 15th was Mrs. Katie Petteys' birthday and her friends gave her a real birthday party.

The afternoon was spent in visiting, friends met and had such a good time talking of old times with friends they had not seen for years. Those present were:

Mesdames Young, Rodgers, McMurray, Petteys, Redford, of Portland, Keller, Jordan, Linn, Troeson, Rietman, Padder, Bryson, Rankin, Clark, Mason, McNamer, Fletcher, McNabb, Morgan, Burroughs, Shaver Nicholas, Miss Maynard, Mr. and Mrs. Engelman, Mr. and Mrs. Swanson, Mr. and Mrs. Newton and Mr. and Mrs. Kosky, of South Bend, Mr. and Mrs. Ganger, Carlton, Norma, Ruth and Elmer Swanson, Mannie Petteys, Alice Rietman, Valgene Clark, Betty Ganger and Junior Mason, all of which partook of the birthday dinner and pronounced it the best ever. The combined ages of those present amounted to 1786 years.

Although Mrs. Petteys has passed the three score years and ten, she is well and active, and does more work on the place than half the young women of today would be able to do, and we are just waiting for April 15, of next year to race around that w might get this same group of friends together again to celebrate another birthday in like manner in Mrs. Petteys' honor.

IT'S mighty poor economy to postpone painting or varnishing, whether it be the inside floors and woodwork or the outside exposed surfaces. What wear and tear are doing on the inside, rot and rust are doing on the outside—slowly pulling down the value of your property through surface neglect.

To put paint and varnish on before it is needed, and not after, is true economy. Damage is under way just as soon as the surface is broken down, which is often before you realize it.

Buy good paint - it's cheapest

Cheapest because it protects the surface better, lasts longer and goes further.

Rasmussen Paint and Varnish Products are made in one of the finest paint factories in the United States—the largest in the Northwest.
