right unto a man, but the end
thereof are the ways of death.

SUMMER

Now Summer brings us pleasant
hours
And dreamily they glide
As if they floated, like the
leaves
Upon a silver tide.
The trees are full of crimson
buds,
The woods are full of birds
And the waters flow to music
Like a tune with pleasant words

World's Greatest Library

The National Library (Bibliothèque
Nationale) of France, in Paris, is
the largest in the world. It was begun
with a collection of books belonging
to John II in the Fourteenth century.
Napoleon I greatly enlarged it.

Spent Six Years on Novel

Gustave Flaubert, leader of the
French realistic school of writers,
spent six years in writing his novel
"Madame Bovary." Its publication in
1857 laid him open to accusations of
immorality, from which he was
cleared.

change my opinions with my shirt—

We'll Tell the World

A light purse is a heavy curse.—
Benjamin Franklin.

NOT TO BE CALLED SMART

"So you think Mayme's a smart
girl?"
"Sure, she's a smart girl!"
"Smart nothing—she can't even
make her chewing gum pop!"

Should Say Not

Names are misleading and
Don't mean just what they say.
For in gift shops I found
They don't give things away.

It Was

Willis—You know that excuse you
told me to spring on the boss when I
was late this morning?
Gillis—Yes. I said it was a sure-fire
excuse. Wasn't it?
Willis—It was. He sure fired me.

Sh-h-h!

Rouine—I tell you my love for you
is making me mad—mad!
Anna—Well, keep quiet about it. It's
had the same effect on father.

Hall's Catarrh Medicine

Those who are in a "run-down" con
dition will realize that Catarrh bothers them
much more than when they are in good
health. This fact proves that white
Catarrh is a local disease. It is greatly
influenced by constitutional conditions.
HALL'S CATARRH MEDICINE is a

treatment of Catarrh for over forty years.

**Bible Thoughts for
the Week**

Sunday.
For by Me Thy Days shall be
multiplied, and the years of thy
life shall be increased.—Prov.
3:11.

Monday.
A Good Man Obtaineth Favor
of the Lord; but a man of
wicked devices will He condemn.
—Prov. 12:2.

Tuesday.
When a Man's Ways Please
the Lord, He maketh even his
enemies to be at peace with
him.—Prov. 16:7.

Wednesday.
And He Answered, Fear not
for they that be with us are
more than they that be with
them.—II Kings 6:16.

Thursday.
Or Let Him Take Hold of My
Strength, that he may make
peace with Me; and he shall
make peace with Me.—Isa. 27:3.

Friday.
Thou Shalt Also Consider In
thine heart that, as a man
chasteneth his son, so the Lord
thy God chasteneth thee.—Deut.
8:5.

Saturday.
And it Shall Come to Pass in
the last days, saith God, I will
pour out of My spirit upon all
flesh; and your sons and your
daughters shall prophesy, and
your young men shall see visions,
and your old men shall dream
dreams.—Acts 2:17.

HARVESTET THRESHER

"Once over and its all over" is
the very apt slogan recently adopt
ed by the International Harvester
Company of America to apply to
the operation of its harvester-
threshers. To the grain farmer,
particularly the grower of wheat
and his wife as well, this slogan
is full of meaning. When they
harvest their grain in the "once
over" and its all over "way, they
save money' labor and time and
eliminate the inconvenience, the
increase in household costs,
and especially the drudgery that
falls on the women folk, with
feeding and housing the threshing
crew and the larger harvesting
force required under the old
method.

Great Is Patience

Patience is strongest of strong
drinks, for it kills the Giant Despair.—
Douglas Jerrold.

Happy Look Ahead

The Bride—Just think of it, dearest:
Fifty years from yesterday will be our
golden anniversary.—Boston Tran
script.

Largest Model Ship

The world's largest model ship is
in the New Bedford Whaling museum.
It is a half-size model of the Lagoda,
a whaling bark of old New England
sailing days.

Do Not Transmit Disease

It is possible for cuttings from
plants infected with mosaic disease
to produce healthy plants.
