**Happiness Not Advertised**

True happiness is of a retired nature, and an enemy to pomp and noise; it arises, in the first place, from the enjoyment of one's self, and in the next, from the friendship and conversation of a few select companions.

**Venturesome Age**

The man who stops to make sure he is right before going ahead nowadays is trampled on by several thousand persons who are willing to take a chance.—Flint Journal.

**Famous Seven Cities**

The Seven Cities of Cibola, belonging to the Zuni tribe of Indians, which occupied the site of the present pueblo of Zuni, in western New Mexico, were held in renown by early Spanish explorers in Mex.co.

**Cherish Your Friends**

A friend whom you have been gaining during your whole life, you ought not to be displeased with in a moment. A stone is many years becoming a ruby; take care that you do not destroy it in an instant against another stone.—Saadi.

**AUTUMN**

SEASON hales of the year!  
How the zesty atmosphere Nettles blood and brain and smites into life the old delights We have tasted in our youth, And our graver years, for sooth! How again the boyish heart Leaps to see the chipmunk start From the brush and sleek the sun's Very beauty as he runs! How again a subtle hint Of crushed pennyroyal or mint, Sends us to our knees, as when We were truant boys of ten— Brown marauders of the wood, Merrier than Robin Hood!

**TILSON and BARLOW WEDDING**

at the home of Mr. A. M. Tilson, Hermiston, on Sunday June 21st, a very pretty wedding was solemnized, when Mr. Ora L. Barlow and Miss Anna Bernice Tilson were united in Holy wedlock in the presence of the members of both families.

Miss Tilson has been a popular teacher of the lone school for past three years, while Mr. Barlow is one of the prominent rancher of the lone setion.

The bride was charmingly gowned in a white charmeuse satin with allover silver lace, and was the recipient of very many beautiful girls.

Both were active members of the Odd Fellows of Morrow County, and were married by the Grand Master, I. O. O. F. of Oregon, the Rev. Henry Young of Hermiston.

After a sumptuous wedding dinner the young folk left midowers of rice and good wishes, for an extended honeymoon trip.

**A Qualification**

The snaps of life are generally acquired by people who have plenty of glares.

**London and Paris**

At the beginning of the Eighteenth century Paris equaled London in population and no doubt surpassed it a some earlier periods. The footing which England gained in India gave London a fresh source of wealth through its rich commerce with the Orient; it was then that London forged permanently ahead of Paris in the number of inhabitants.

**Oil-Cookstove Work**

—is "City Easy" and Cool!

WORKING with a good oil cookstove is cool work and a "snap"—no fires to tend,—nothing but a match to light, a wick to turn and you're done! Noiseless, simple, safe!

By using a good oil cookstove you make your kitchen-work as simple and "city easy" as it should be! And when your dealer recommends Pearl Oil as the best kerosene to use—he's right! Pearl Oil is specially refined and re-refined so it burns clean! And it won't corrode metal—no oily smell—nothing but bright heat-producing flame.

"Kerosene" or "Coal Oil" may mean any kind of kerosene—so insist on pure, clean-burning "Pearl Oil"—ask for it by name!

**Cut Machinery Cost In Half**

The man who leaves his machines in the fields is paying, by depreciation, for an implement shed, but not getting the shed.

You can cut your machinery cost in half by prolonging its life and usefulness. You can double the life of an implement by putting it under cover as soon as you are through using it

The cost of an implement shed to protect \$2,000.00 worth of machinery is only a fraction of that sum.

We have many excellent implement shed plans to show you, and we have the right material to build just the kind and size building you require. Do not make the mistake of building before you examine our up-to-date implement shed plans. we will be glad to have you call and examine them, whether you are building now or later.
