Editor and General Manager
WILL ROGERS

Another "Bull" Durham advertisement by Will Rogers, Zigfeld Folies and screen star, and leading American humorist. More coming. Watch for them.

I see where some of the Foreign Nations say they are going to FUND their debt to America, and all the Papers are all excited about it. But the BULL'S EYE is a Paper that never misleads our readers (either one of them). FUNDING a debt means about the same thing as having a fellow that has owed you for years, come to you and say "I am going to make arrangements to take up that loan I owe you just as soon as I can collect it from some fellows who owe me." So don't by any means get FUNDING mixed up with PAYING. The two have nothing in common. These Nations are just stalling until after the War comes along and the first thing you know our debt will be four Wars behind. We have enough saved up to fight again, but they are using it now to enforce Prohibition.

Oh, yes, "BULL" DURHAM. I like to forget to mention that. Well, that is what the Foreign Nations are paying us in. "BULL" DURHAM without the DURHAM

P. S. There is going to be another piece in this paper soon. Look for it.

SELECTION IS DEFERRED

Dr. Day Eliminated from Presidential Choice for University Head.

Portland, Or.—Regents of the University of Oregon, meeting in Portland, failed to select a president to succeed the late Dr. Prince L. Campbell.

Two reports were submitted by the special committee appointed to recommend a university executive. The majority report of Mrs. G. T. Gerlinger and C. C. Colt, both of Portland recommended that Frank Parker Day of the Carnegie Institute of Technology be chosen acting president.

The minority report, presented by Fred Flak, Eugene, opposed the selection of Colonel Day and recommended further investigation of qualifications of applicants.

By a vote of nine to two the minority report was substituted for the majority report and adopted.
