Locals Wipe Echo off the Map

Ione defeats Echo by 8 runs
Echo's infield has streak of lightning luck.

Ione Base Ball team took revenge on Echo, Sunday, by having first class pitching and lots of pep at bat and on the field. When Echo visited Ione, last and shut us out there pitcher Berry had the lone batters at his command and errors by Ione gave his team an easy victory, but the reverse came in the return game and Ione made 11 safe hits with but two errors on the field and thos did not result in runs. Berry struck out but four men and only

rare fielding luck kept our boys from running in flocks of runs, while Echo secured 8 scattered hits and made 7 errors and 10 men out called strikes.

Arch Cochran was the leading batter with four hits and three runs. Hoskins made two hits, got on three times by errors and made four runs just to show Echo fans that his intrests are transferred to Ione.

The boys have real confidence in our old reliable pitcher and are giving him great support and expect to put a stop Boardman's winning streak, Sunday.

Skiing in 1860

Skiing as a sport began in Norway about 1860 in the district of Telemark and rapidly spread over the Scandinavian peninsula. The sport has in later years been introduced into other countries where the winter is severe, and has become very popular in Switzerland, Canada and the United States.

Wools in Rugs Blended

When oriental rugs are being manufactured, the wool used is often blended from specimens received from all parts of the wool-growing world. This gives the combination of luster, strength and long fiber required. Proper blending contributes much to the finished appearance of the rug.

Worth Knowing

If you ever find the silver polish bottle empty when you are going to have a party, ordinary tooth paste will clean silver beautifully and will help you out in an emergency.

Nimbleness Wins Prize

Haste and rashness are storms and tempests, breaking and wrecking business; but nimbleness is a full, fair wind, blowing it with speed to haven.—Fuller.

STEIWER

REPUBLICAN

For

U. S. SENATOR

THE strongest opposition to FRED STEIWER is found in the democratic party. Democratic politicians and newspapers brand Steiwer as an enemy of the direct primary. They cry "conspiracy" and seek to lead people to believe that Steiwer would abolish the direct primary. Nothing is further from the truth. Steiwer's enemies are doing every thing in their power to shatter the great strength of public approval that is back of Steiwer. They fear him. They know they cannot defeat him in the general election.

Steiwer will be a credit to Oregon in the United States Senate. He is clean, energetic, capable and aggressive. His record as a public official is flawless.
