

Stanfield Fighting to Develop Resources of Oregon

U. S. Senator Robert N. Stanfield maintains that the natural resources of Oregon belong to the people of Oregon, and he is leading the fight to establish Oregon's right to use the revenues to develop the state and materially reduce taxes.

Grazing Bill Entering Wedge

Stanfield's Grazing Bill which has been unanimously recommended for passage by the Senate Committee on Public Lands, Stanfield's Chairman, is the first step toward restoring control to Oregon of the revenues from its resources. Secretary Work, Department of the Interior, pronounces the bill "a constructive measure which will result in definite and positive benefits to the live stock industry, and will permit the use of the public lands by both small and large live stock raisers."

U. S. Senator McNary wired Bert Anderson, republican county chairman of Jackson County, on May 4:

Senator Stanfield, chairman of the Senate Public Lands Committee, has conducted hearings and given much of his time to Oregon and California grant lands tax bill. I AM ASSISTING HIM IN EVERY WAY I CAN. I am busy assisting in the hearings before the Senate Commerce Committee on the attempted sale of the Oriental line by Shipping Board to the Dollar interests. SENATOR STANFIELD IS ASSISTING ME IN EVERY WAY HE CAN.

The passage of the emergency tariff bill on May 7, 1921, placing protective duties on 28 of the principal farm products, was due largely to the insistent efforts of Senator Stanfield.

On May 20, 1921 the Stanfield bill was introduced for financial relief of agricultural banks and companies, through the War Finance Corporation. The main features of this measure became law as a part of the Norris bill August 24, 1921, and Oregon banks, trust and loan companies that serve agriculture received \$6,896,000 under its terms.

Senator Stanfield favors active continuation of the reclamation of Oregon's arid lands until every irrigatable acre is reduced to cultivation and production. He is working in full accord with his colleague, Senator McNary, Chairman of the Senate Committee on Irrigation and with Representative Shonott, chairman of the same committee in the house, in reclamation legislation. The Oregon Senators won out in their contention that financial aid to settlers should be provided by the Government and the Interior Department. In March 1926, agreed to us \$500,000 of the reclamation fund for the purpose of making experimental loans to settlers on certain selected projects over a period of three years.

STANFIELD'S HIGH RANK ON SENATE COMMITTEES HELPS OREGON. IT WOULD TAKE YEARS FOR A NEW MAN TO ATTAIN HIS RANK IN THE SENATE.

Fish That Cries

In Hongkong harbor, a strange fish of the size and appearance of a baby's doll, has been caught. It is like a big orange, with eyes, mouth, nose, ears, and two small uncommon-looking fins. This curious creature, resembling what the Chinese describe as a "kwal" fish, is popularly known as a mermaid's child, and utters a sound like the cry of a baby. The possession of this fish is said to bring good luck.

The BULL'S EYE

Editor and General Manager
WILL ROGERS

Another "Bull" Durham advertisement by Will Rogers, Zigfeld Folios and screen star, and leading American humorist. More coming. Watch for them.

The BULL'S EYE is a publication that goes to print. When does it go to print? It goes to print when ever there is something to print. A lot of papers, in fact to be exact, all of them, have a certain time to be issued, regardless of the news. If nothing has happened that day or that week they have to come out just the same. They want you to pay for them whether they are any good to you or not. Why should a paper be printed if there is nothing new to print?

Sing Sing don't electrocute a man at a certain hour every day. They wait until they get a good man and then electrocute him. They don't have a set time or custom, and that is the way the BULL'S EYE is operated. We don't go to press at ten o'clock tonight just because we went to press at ten last night. No, sir! We wait until we have something that is worth while to our myriads of readers. We get them accustomed to the fact that when they see the BULL'S EYE, they say to themselves, "The BULL has seen something worth while," and that is why the Paper is out today. Because it has news for you.

We saw a man smoking a sack of "BULL" DURHAM and he was getting so much satisfaction out of it that we feel it our duty to tell those that never used "BULL" DURHAM just how they too can get satisfaction.

Will Rogers

P.S. Remember, you won't see us again until we have something worth while.

P. P. S. There is going to be another piece in this paper soon. Look for it.

VOTE FOR ALFREDE E. CLARK

of Portland

Candidate for Republican
Nomination for United States
Senator

OREGON NEEDS A MAN IN THE UNITED STATES SENATE WHO CAN SECURE RESULTS FOR ITS PEOPLE AT THE NATIONAL CAPITOL.

It needs a man familiar with its resources, agricultural interests, industries, harbor and reclamation projects.

It needs a man with the energy, industry and ability to secure governmental recognition and aid for the development of these resources, various interests industrial enterprises and projects.

In ALFRED E. CLARK, candidate for the Republican nomination for United States Senator, the people have such a man. He has the ability. He has the industry. He has the energy. Moreover he already has to his credit a record of efficient public service.

He has courageously opposed in this campaign those who would deprive the people of the right to select their own candidates under the direct primary law and who now seek to dictate party nominations. These factors have made him the leading Republican candidate for the senatorship and his nomination seems assured. A vote for Alfred E. Clark for senator is a vote for the general welfare of Oregon and its people.

(Paid adv.—Alfred E. Clark for Senator's Campaign Committee)
