## MORROW COUNTY FARMERS

### Letter From Wage Scale Committee

Hepner, Ore.  
June 15, 1926.

To Morrow Co. Farmers:  
Dear Sirs:

We call your attention to the wage scale being published this week, that was adopted at the District Wage Conference at Arlington, June 8. This scale, making a number of changes in the 1925 scale, was adopted after thorough discussion as being the actual wage paid transient labor throughout the district last year. It was believed by the delegates at the Arlington meeting that the wage should be that paid in 1925 and that no general change in wages is justified at this time.

By setting the scale at the actual wage paid transient labor, the Public Employment Service office which is being established at Arlington this week, will be able to give better service. You are urged to follow the scale for transient labor as closely as possible, realizing that where local men are used you are justified in paying them what they are actually worth.

Very truly yours,

R. A. Campbell  
C. B. Cox  
O. C. Wageman.

### DR. WALKER WRITES

Vale, Oregon,  
June 15, 1923.

Frank Engleman,  
Ione, Oregon.  
Dear Friend:

I hope this finds you and yours all well and everything going satisfactory with you. I hear and read bad reports on crop conditions in Morrow County, I am sorry to say but hope that they will not turn out to be as unfavorable as reports make them out at present. However there is a general shortage of water everywhere this year

Things have been going along pretty good with me since coming here but could be better and I think they will be after a little while and I am better acquainted

The Government will spend in the neighborhood of 20 to 25 millions on reclamation projects in this part of the country and then follows the settlement of tracts afterward.

With kind regards to you and all the rest of Ione, I remain as ever,

Very truly yours  
Clyde R. Walker
