**Meeting the "Bull" Durham Smoker Face to Face**

I am just making, as the Politician says, "A swing around the Circle," to see what was going on in "Real America." I had been in New York so long, I was getting a kind of a Subway "Slant" on things. I was becoming as narrow as a Metropolitan Newspaper Editorial Writer. My eyesight was getting so poor I couldn't see beyond the Hudson River, and my mind wouldn't function farther away than Albany, N. Y.

I knew that New York was "amusing the world," but I wanted to meet the fellow who was "feeding it." I am kinder oddly constituted. You can cut off my amusement, but if my food stops you are going to have an argument on your hands.

I, as Editor and Proprietor of the Bull's Eye, wanted to meet not only the readers, but the consumers of THIS Wonderful Product of OURS. (The American Tobacco Company and me.) Well, I wish you could see the type of Men they were. Big fine healthy upstanding He-Men. They were not the little Anemics that has to tap his Cigarette on the box before he can smoke it. They were our Producers of our Necessities of Life. When I saw the type of He-Men smoking "Bull" Durham, it almost made me cry, that I wasn't a smoker myself.

P.S. There will be another piece here a few weeks from now. Look for it.
