Notes of Interest to All Local Denominations.

The World's Christian Endeavor convention is now in session at the Crystal Palace, London, England. At the opening session three minute addresses, outlining the progress of the society, were delivered by the representatives of thirty nations.

The American delegation of 700 includes Dr. Daniel A. Poling, head of the organization in the United States and once an Oregon pastor.

Prayer meetings as usual this coming week; Wednesday at the Congregational church and Thursday at the Christian and Baptist churches.

Of all the dispositions and habits that lead to political prosperity, religion and morality are indispensable supports. In vain would that man claim the tribute of patriotism who would labor to subvert those pillars of human happiness, those firmest props of the duties of men and citizens.

George Washington

The next meeting of the Willow Branch Christian Endeavor Society will be held at Heppner on August 24.

Then to side with truth is noble, When we share her bitter crust, Ere her cause bring fame and profit

And 'tis prosperous to be just.

BIBLE READING FOR THE WEEK

For, behold, the day cometh, that shall burn as an oven; and all the proud, yea, and all that do wickedly, shall be as stubble; and the day that cometh shall burn them up, saith the Lord of hosts, that it shall leave them neither root nor branch.

2. But unto you that fear my name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up as the calves of the stall.

3. And ye shall tread down the wicked; for they shall be ashes under the soles of your feet in the day that I shall do this, saith the Lord of hosts.

4. Remember ye the law of Moses my servant, which I commanded unto him in Horeb for all Israel, with the statutes and judgments.

5. Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the Lord:

6. And he shall turn the heart of the fathers to the children, and the heart of the children to the fathers, lest I come and smite the earth with a curse.

THE PARTING OF THE WAYS

By Joseph Gilder

Untrammled Giant of the West.

With all of Nature's gifts endowed,
With all of Heaven's mercies blessed,
Nor of thy power unduly proud—
Peerless in courage, force and skill,
And godlike in thy strength of will;

Before thy feet the ways divide:

One path leads up to heights sublime;
Downward the other slopes, where bide
The refuse and the wrecks of time.
Choose then, nor falter at the start,
O choose the nobler path and part!

Be thou the guardian of the weak,

Of the unfriended, thou the friend;

No guercon for thy valor seek.

No end beyond the avowed end.

Wouldst thou thy godlike powers preserve,

Be Godlike in thy will to serve.

THE FLAG

By Joseph Rodman Drake

Flag of the true heart's hope and home,
By angel hands to valor given;

Thy stars have lit the welkin dome,
And all thy hues were born in heaven.

Forever float that standard sheet!

Where breathes the foe but falls before us,

With Freedom's soil beneath our feet,

And Freedom's banner floating o'er us.

AN OLD GAME

Some people appear to have the idea that moonshining was never heard of before the adoption of the 18th Amendment to the U. S. Constitution. The truth is that moonshining is older than the Government. One of the first tasks of the administration of George Washington was to convince the moonshiners of Pennsylvania that the United States meant business and that any man conducted an illicit still at his peril.

HERBERT HOOVER TURNS SPADEMAN

The Secretary of Commerce turns up first spadeful of dirt at ground breaking ceremonies for emergency hospital on the grounds of the Sesqui-Centennial International Exposition in Philadelphia. The exposition will commemorate the 150th anniversary of the signing of the Declaration of American Independence. At the cabinet member's right is Mayor Kendrick of Philadelphia. The hospital will be conducted by physicians and nurses from the Philadelphia General Hospital.
