

Engineer Cressy Praises Tanlac

Fermentation, Bloating, Nervousness and Constipation Relieved, Health Restored, Gains 26 Pounds

"Tanlac did me so much good that I have been boasting it whenever I could," says B. Cressy, 559 Ellis St., San Francisco, a well-known electrical engineer. "Stomach trouble was the seat of my trouble. Whatever I ate did not digest. It would lie in the pit of my stomach and ferment, cause gas that bloated my stomach and pained me. Often this trouble was so bad I could hardly breathe. I was always constipated and lost weight fast. Of course I was nervous and at night I never slept soundly. "Then a lady advised me to take Tanlac. I did, with wonderful result. It relieved all stomach trouble, gave me an appetite, cleaned my system of constipation and built up my strength. I have gained 26 pounds since taking Tanlac. And never felt better." "Take Tanlac for better health, for strength. First bottle shows amazing results. At your druggist's. Over 40 million bottles sold."

Drugs Excite the Kidneys, Drink Water

Take Salts at First Sign of Bladder Irritation or Backache

The American men and women must guard constantly against kidney trouble because we often eat too much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from over-work, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer are a source of irritation, thus often relieving bladder disorders. Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

Freddy Was Hungry
The minister had come home with the Browns for dinner. When they sat down to the meal Mr. Brown asked the guest to say grace. This he did. However, the preacher spoke so softly that those at the table did not hear his whispered "Amen."

Freddy, though, had been watching the minister out of one corner of his eye, so when the family still sat with bowed heads after the grace was finished, Freddy exclaimed: "All heads up and let's go to eatin'!"—Kansas City Star.
