Covered Wagon Pioneer Quickly Restored to Health

Was So Weak Could Scarcely Use Arms or Legs. Sacramento Resident a Victim of "Flu," Loses Weight and Vitality. Finds Long-Sought Relief. Strength Restored. Praises Tanlac.

Pioneer blood flows in the veins of Frank Rikert, Box 1035, R. R. 10, Sacramento, Calif., a prominent stockman who trekked over the rough, hazardous trails from Illinois in the early sixties. But even his brawn, muscle and splendid health broke under the strain of modern living. "Flu" left its mark and threatened his life. "I didn't care whether I lived or died, I felt so badly," said Mr. Rikert, "when I began taking Tanlac. My strength had vanished, sapped by the 'Flu.' My arms and legs were so weak that they were almost useless. I couldn't even turn over in bed without help, so completely undermined was my strength and vitality. "One night my wife saw the Tanlac advertisement in the paper and urged me to try it. I bought a bottle and started taking it, and I felt better right off. In a few weeks I was able to do all my work. Not only did my weakness disappear, but I actually gained twenty pounds, and I have felt fine ever since. "Yes, sir, I firmly believe that Tanlac saved my life. Naturally, I'm so enthusiastic about Tanlac I am telling all my friends it's a great medicine

and I'll praise it as long as I live." Tanlac helps conquer ailments and builds up strength in famished bodies. It banishes pain and frees the system of poisons caused by constipation and sluggish liver. It is Nature's own remedy made from roots, herbs and herbs according to the famous Tanlac formula. Begin taking Tanlac and enjoy the benefits of strength and golden health. The first bottle usually brings results that will surprise you. Ask your druggist for Tanlac—today! Over 40 million bottles sold.

Drugs Excite the Kidneys, Drink Water

Take Salts at First Sign of Bladder Irritation or Backache

The American men and women must guard constantly against kidney trouble because we often eat too much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health. When young kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer are a source of irritation, thus often relieving bladder disorders. Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink and belongs to every home, because nobody can make a mistake by having a good kidney flushing any time.

Artistic Errors
Oh, these artists again! They picture Cupid as bearing a weapon that wouldn't make an abrasion on a canary bird, even if he could hit one—which he couldn't—and everybody knows, who knows anything about love at all, that Cupid's weapon is a high velocity pump gun of outrageous caliber that scores 29 hits out of 30.—Buffalo Evening Times.
