

On the Funny Side

SUCH A BORE

"On being offered \$70,000,000 for one of his properties," we read, "Mr. Mellon replied, 'It's a good price, but I don't care to be bothered reinvesting \$70,000,000.'"

That has frequently been the objection in our own case. "No," we say quietly but firmly, "your proposition is interesting, but really we prefer not to have the bother of rehandling and reinvesting \$50,000,000 or \$60,000,000; it cuts into our golf so."—New Haven Register.

Plenty of Slate

"Put that down on the slate," charged the impecunious citizen of the dealer who had sent him up a ton of coal.

"I hain't got no slate," snapped the vender ungrammatically.

"You hain't? Well, when I get home I'll guarantee to dig enough out of my bin to cover the roof of a house."

MUST TAKE IT'S COURSE

First Link—"He's golf-crazy." See end link—"Let him alone—it's a disease that has to take its course."

The Better Plan

This living for tomorrow
May be some people's way—
Tomorrow may bring sorrow!
Let's live a lot today!

A Natural Surgeon

"I believe," declared the Irishman, "that me youngest son's born t' be a surgeon."

"Phwat leads ye t' say that?" asked his friend.

"O! caught him usin' th' scissors on a book O'd lately bought, an' before O'd stop him he cut out th' appendix."

Tough Luck

"I see," said Jones, at the supper table, "that the visible supply of coal will be exhausted in 15,000 years."

"John Smiffen Jones, that's just like you," exclaimed Mrs. Jones snappily. "I told you to order enough for the whole winter."

Perfect Confidence

Marion—It's ridiculous to say that my diamond ring isn't genuine—I trust Frank implicitly.

Doris—But if I were you I'd consult a Jeweler.

Marion—Oh, I've already done that.

Two Sides to It

Brandon—It must be terrible for an opera singer to realize that he can never sing again.

Bunker—Yes; but it's much more terrible if he doesn't realize it.

Distinction

"What does your old man do, Mrs. Raggs?"

"You mean now or when I was married?"

"Well, what did he do and what does he do?"

"Nothin'."

He Could Prove It

First Bird—Don't you know better than to sit on this chimney? You're getting all dirty.

Second Bird—Soots me all right.

Quarantined!

Millions of cockroaches already exterminated!

Beware!

THERE'S PANIC in Bugville! Cockroaches are dying by the thousands!

Use Peterman's Roach Food in your house. Exterminate every roach.

Don't fight roaches with a spray. You must have a powder. Peterman's is the right powder.

It entices roaches from their hiding places. They carry it back on their legs and bodies to their nests behind base-boards, under floors where no spray could possibly reach.

Every adult roach, the young, every egg in the entire colony is exterminated. No odor. Nothing is left but a little dry dust. Use

Peterman's Roach Food now. Keep them out. Don't let them get a start.

Here is the right insecticide for each insect:

PETERMAN'S ROACH FOOD exterminates that cockroach army.
PETERMAN'S ANT FOOD exterminates ants.
FLYSON kills flies and mosquitoes.
PETERMAN'S DISCOVERY exterminates beetles.
PETERMAN'S MOTH FOOD protects against moths.

You must have a specific insecticide for each insect. No single insecticide will exterminate them all. We have had nearly 50 years' experience. We know that is true.

Peterman's has the right insecticide for each insect. On sale wherever drugs are sold.
