

# HELP FOR SICK WOMEN

Lydia E. Pinkham's Vegetable Compound Has Restored the Health of Thousands

Brooklyn, New York.—Mrs. G. Hegmann of 228 Schaeffer St., was in a run-down condition and could not do her housework. She could not sleep at night. Her story is not an unusual one. Thousands of women find themselves in a similar condition at some time in their lives. "I found your advertisement in my letter box," wrote Mrs. Hegmann, "and took Lydia E. Pinkham's Vegetable Compound and got relief." Mrs. Hegmann also took Lydia E. Pinkham's Herb Medicine and Lydia E. Pinkham's Pills for Constipation, with good results. She says, "I am recommending your medicines to all I know who have symptoms the same as mine, and to others whom I think it will help. You may use my statement as a testimonial, and I will answer any letters sent to me by women who would like information regarding your medicines."

There are women in your state—perhaps in your town—who have written letters similar to this one telling how much Lydia E. Pinkham's Vegetable Compound has helped them. The Pinkham Medicine Company, Lynn, Mass., will gladly furnish other women with these names upon request.
