### The Seal With the Double-Barred Cross

If you could know that the pennies that you spend for Christmas seals might chance to be the very pennies that would surely bring to some little child

The health that otherwise it might not know. Would you not spend, More and more such pennies?

Would you not forego some lesser pleasure even if you knew you could do that? Or it might chance that yours might be the pennies to restore a stricken mother to her stricken brood. Or to bring a broken father back to earning power. Would you not spend more pennies? The more the pennies that you spend the more the good the pennies do. Then buy the Christmas seals—Health Seals.
