TUBERCULOSIS IS CURABLE.

State Board of Health
No chronic disease is more easily cured than tuberculosis if it is discovered in time. Proper treatment in a Sanitarium or at home will restore health to most cases of early tuberculosis. If in doubt, have an examination today with bare chest. Your local or state or health association will assist you with information or in other ways if you do not know what to do. They will serve your doctor or you for the asking.

Notes of Interest to All Local Denominations.

Of special interest to Eastern Oregon is the coming State Christian Endeavor convention to be held in The Dalles, April 11-22, 1928. This will be the first all-state Christian Endeavor convention to be held east of the mountains and the young people of this part of the state are intending to take advantage of its nearness to them.

Rev. E. W. Praetorius, national young people's worker of the Evangelical churches of the United States, will be the chief convention speaker. Paul C. Brown of Los Angeles who travels all over the coast in the interests of Christian Endeavor, will also be a prominent person in the convention. Dr. Norman K. Tully, pastor of the First Presbyterian Church of Salem, will be there to participate in the program, as will also Walter L. Myers of Eugene, Prof. C. B. Hoggatt of Eugene will lead the singing and Miss Lulu Aydelott of the same city, will preside at the piano.

There will be inspirational addresses, enjoyable singing, conferences on practical Christian Endeavor plans, graded Christian Endeavor Meetings, a parade, banquets and all that goes to make these annual gatherings attractive to young people.

A committee is at work in The Dalles making preparations for the entertainment of the convention, and splendid backing is being given it not only by the local churches, but by the Chamber of Commerce, various clubs and the City itself. The municipal auditorium is to be used for the convention sessions, which speaks well for the city's interest and the adequate housing of the convention.

According to interest expressed in various parts of the state, the convention will be well attended. The delegates will be given free lodging and breakfasts in The Dalles homes.

SUNSHINE AND SHADE

B. Clarence E. Flynn in Christian Herald

The rarest picture Art has ever given,
On which the studied light has ever played,
Is made from these two simple gifts from Heaven—
A little sunshine and a little shade.

The grandest day that ever lent its story
To the long scroll the hand of Time has made;
What is the fair effulgence of its glory?
A little sunshine and a little shade.

The greatest life the world has ever cherished,
The memory that lives while others fade,
Is only th's when its brief day has perished—
A little sunshine and a little shade.

Count that day lost whose low descending sun
Sees by thy hand no worthy action done.
Owen Meredith in "Lucile."
