VOLUME XVI

IONE, OREGON, FRIDAY, March 23, 1928

NUMBER 43

OREGON CITY, Ore., Mar. 22.
—Hal E. Hoss, of Oregon City, has formally announced himself as a candidate for the Republican nomination as secretary of state, and will have his name on the ballot in the primary election May 18th. Mr. Hoss, who has been manager of the Oregon City Enterprise and later private secretary to Governor Patterson, resigned his state position a short time ago in order to devote his time to his candidacy, and his announcement comes as a result of encouragement received in a statewide survey he has been conducting.

Coincident with his announcement as a candidate, Mr. Hoss sent in his resignation as secretary of the state editorial association to President Robert W. Sawyer, of Bend, but will retain his other press association connections. He will formally file for the office within the next few days.

SWAT THE FLY

Oh, every fly that skips our swatters
Will have five million sons and daughters
And countless first and second cousins,
Of aunts and uncles, scores and dozens
And fifty-seven billion nieces:
So knock the blame thing all to pieces.

An Orthophonic Victrola will perform perfectly for you at any time during the 24 hours of the day. — Bullard's Pharmacy.

Speed It Up

Haste makes waste is an old motto but it is a lazy one. You've got to hurry these days to keep up. — Atchinson Globe.

BASE BALL MEETING

LOCAL FANS PLAN TO GO OVER THE TOP

A well attended meeting of those interested in base ball was held in Legion Hall, Ione, Thursday evening for the purpose of perfecting an organization and concerting plans for the coming season.

Walt Cochran was elected manager for the season and L. E. Dick was elected Secretary Treasurer.

After organization and some general discussion of the base ball situation it was voted to give a dance at Legion Hall, Ione, on Saturday, April 7th, for the purpose of strengthening the treasury. It is announced that the Night Hawks of Hood River will furnish the music for the ball.

Certified Seed

Orders May Be Placed With County Agent

Heppner, Ore.,
March 19, 1928.

To Morrow County Farmers:

The County Agent's Office is in a position to get you certified Netted Gem seed potatoes if you will, notify this office at once as to how many you will need. The pool will be closed on March 31 and anyone ordering seed after that date will not get to take advantage of the low freight rate enjoyed by those who place their orders in time for the pool. The price at Heppner will be around \$2.50 per hundred weight.

We have had several inquiries regarding seed oats, alfalfa, and sweet clover seed. We will be glad to place your order for any of the above mentioned seed.

The price of potatoes in some of the larger potato growing sections advanced \$10.00 per ton last week, there was no early seed potato seed available and to delay placing our orders might be costly.

Please let us hear from you at once if you are interested.

Very truly yours,
Chas. W. Smith,
County Agent.

Snow Line on Mountains

Ice and snow are found on high mountains the year around above what is known as the snow line. The snow line is the line showing the limit of perpetual snow, varying with the climate in different parts of the world, but situated at approximately 1,000 feet above sea level, at latitude 70 degrees; 5,100 feet, at 60 degrees; 6,800 feet, at 50 degrees, and from 16,000 to 17,000 feet at the equator.

Long Stretch of Light

Daylight extends from pole to pole at the time of the equinoxes. On account of refraction the sun appears slightly above the horizon at both poles when it is at the equinox.
