"The Light's Too Poor"

With a Modern Kodak, such statements won't bother you. For a Modern Kodak is independent of bright light—it gets good pictures early or late in the day, indoors near sunlit windows, outdoors in the shade.

The reason is that Modern Kodaks are equipped with faster lenses—lenses that admit more light to the film for better exposure. And Kodaks with these remarkable lenses are now available at less than half the former price of such optical equipment.

Let us show and explain the Modern Kodaks to you

Exciting Events at Horse Show

Aaron M. Frank of Portland and his Hackney Pony "Aloma," winner of the Portland Chamber of Commerce \$2,000.00 Stake at the 1927 Pacific International.

The chariot races of ancient Rome offered no more exciting competition than some of the events scheduled for the 10th Annual Horse Show of the Pacific International Livestock Exposition to be held at Portland, Oregon, November 3-10, inclusive.

Roadster classes at fast paces are shown in the great 234 foot long Horse Show arena. In that ring the maneuvers of seven and eight six-horse heavy draft driving teams bring the spectators to their feet in

tumultuous applause with their daring and exciting performances. High and broad jumping events display the stamina and skill of both horses and riders.

High stepping harness champions of America and England are shown in superb form. Three and five-gaited American Saddle Horses charm the spectators with their graceful action and amazing speed.

The prize money for this Horse Show is approximately \$36,000.00—the largest amount ever offered. Horses from all over America and from abroad come to compete for Pacific International's prized ribbons. During each performance will be staged parades of prize-winning livestock and demonstrations by famous sheep dogs.

The 18th Annual Pacific International Livestock Exposition combines Livestock Show; Dairy, Land and Manufacturers' Products Shows; Sheep Show; and Mohair Show; Northwest Livestock and Grain Show; Fox Show; Industrial Exposition; Boys' and Girls' Club Work Exhibits; great "Truth in Meats" demonstration, and daily auctions of Beef and Dairy Cattle. \$100,000.00 is offered in Premiums. Attendance each year exceeds 120,000 persons.

Leading Railroads of the Northwest, and other transportation lines are offering special reduced fares to the Exposition.
