

From "Queen" to Queen

A "Queen" of Guernsey's provides the milk for Queen Marie's repast when Royalty visited Pacific International

Pictured above, Mrs. Minnie W. Miller of Thousand Springs Farm, Wendell, Idaho, is seen milking her famous Guernsey, Yeoman's Mister Babbette. Henry Thiels, prominent restaurateur, is standing by waiting to carry a pitcher of this "queen's" milk to Queen Marie of Roumania who was a visitor at the 1926 Pacific International Livestock Exposition.

Every indication points to all divisions being filled to capacity at the 18th Annual Pacific International Livestock Exposition, Portland, Oregon, November 3-10, inclusive. Particularly is this true of the Dairy Livestock division. Fully 800 dairy animals are expected to be in the stalls when the Exposition opens, with breeds represented as follows: Holsteins 300, Jerseys 200, Guernseys 150, Ayrshires and Brown Swiss 150. Professor V. D. Chappell of Oregon Agricultural College is in charge of the Dairy Products Show which, this year, will excel all previous records for size and quality of exhibits. In addition to the Dairy Livestock entries, millions of dollars worth of pure bred beef cattle, horses,

Sheep, Hogs, Goats and Foxes will compete for a share in the \$100,000.00 of prize money offered.

Pacific International is one of the four shows in the U. S. where the "All American" selections are made.

Other outstanding divisions of the Exposition are the Land and Manufactures' Products Shows; Industrial Exposition; Sheep Show; Wool and Mohair Show; Fox Show; Boys' and Girls' Club Work Exhibits; great "Truth in Meats" demonstration, and America's greatest Horse Show. Ten Horse Show performances are scheduled—7 evenings and 3 afternoons. Stirring high and broad jumping events are announced for each performance. High stepping harness horses and three- and five-gaited American saddle horses will be seen in all their perfection of form. Heavy draft six-horse driving team contests are scheduled as well as other team contests throughout the rest of the week.

All transportation lines are offering reduced fares to the Exposition.

SAYS FARMERS NEED HOOVER AND TARIFF

Congressman Dickinson Warns Against Past Records of Democrats.

PLATFORM IS EVASIVE

Iowa Leader Declares Hoover Knew How to Handle Agricultural Problems.

WOODSTOCK, Ia.—Herbert Hoover and a protective tariff was the specific recommended for the curing of farm ills by Congressman L. J. Dickinson of Algona, Ia., a leader of the farm bloc in the House, in an address here this afternoon at the farmers' meeting and Republican rally.

"The record of the Democratic party has always been for a tariff for revenue only," Congressman Dickinson said, "and they have never been converted to a tariff for protective purposes."

"Herbert Hoover, in his acceptance speech, declared 'an adequate tariff is the foundation of farm relief.' He further declared that 'the domestic mar-

HON. L. J. DICKINSON

ket must be protected. I will use my office and influence to give the farmer the full benefit of our historic tariff policy."

"Protection of dairy commodities has greatly increased under the protective tariff policies as carried out under the present Republican administration. We increased by executive order the tariff on dairy products from eight to twelve cents a pound. This domestic market can be preserved for the American producer under the Republican policies, and it can be lost under the policy outlined by the Democratic platform."

"Apparently, to satisfy a certain group of farmers, a cleverly devised sentence was written into the Democratic platform whereby the party pledges that an honest endeavor will be made to formulate a legislative plan whereby the losses in the control of surplus crops will be charged back against the unit of the product. This is a faint effort to describe the equalization fee. After the adoption of this platform, Governor Smith was quoted in the newspapers as saying that he was opposed to the fee, but that he pledged that the mechanics would be devised through conferences with the friends of agriculture to formulate a legislative program to carry out his platform pledges. This is the same problem over which a dispute has been raging for eight years. The Democratic platform simply adds more confusion to an already confused situation."

"The pledge of Herbert Hoover is definitely certain. He knows in advance how this problem can be handled. Any conference he calls will be merely for the purpose of arranging specific details. His pledge creates the experimental stage of such a program. He believes agriculture can be organized to where it will be self-sustaining, and by reason of his knowledge and experience, he is in a position where he can head that organization."

DEMOCRATIC NOMINEE FOR SHERIFF

W. L. MATTESON MAKES FINAL STATEMENT

Walter L. Matteson, Democratic nominee for sheriff, makes final statement. A pioneer of Morrow County, an ex-service man, eight years' experience as an officer of the law, I believe in the enforcement of the laws without fear or favor, fair and just treatment to all. I will absolutely appoint Morrow county office help; experienced book keeper if possible. I also believe in not making no more expense on taxpayers than necessary. I also will not send out of the state to get a hard boiled deputy as some are called.

I thank you for your attention, voters of Morrow County.

Yours truly,
Walter L. Matteson,
Candidate for sheriff

Responds to Cheers

Herbert Hoover responds to the cheers of the vast throngs that greeted him on his tour through New Jersey. He was greeted with enthusiasm everywhere, especially in the so-called Democratic strongholds of Mayor Hague in Hudson County.

Tariff Came First

The first of our policies which have given security and expansion of employment has been the enactment of the protective tariff. - HERBERT HOOVER in his Newark speech.
