### Local Happenings

The nutrition meeting held at the school house on Friday was well attended and proved both interesting and profitable. The morning was spent in making and discussing salads. A very interesting lecture was given in the afternoon. This is the second of the series held this year under the joint auspices of the State College and the County Agent's Office. The lecturer is Miss Case of the State College.

Mr. and Mrs. Elmo McMillan and little daughter who have been visiting relatives here and in Lexington, have returned to their home. Garland Swanson took them in the Swanson car. On his return he was accompanied by Arieta and Ordie Farrens who visited friends here till Sunday, when they returned to Portland with their uncle, Mr. Ford, who operates a freight line between Portland and Pendleton.

Mr. and Mrs. J. W. Howk returned Sunday morning from a shopping trip to Portland. They and their little son Allan left for Texas, Sunday night. They plan to visit Mr. Howk's father and other relatives. They expect to be gone about three weeks.

During Mr. Howk's absence his place at the railway station is being taken by C. S. Quillen of Portland.

An automobile accident occurred in Ione, Friday night, when the car driven by James McCabe, in coming down Second street, was struck by a car driven by William Logan, which entered from a cross street. No one was hurt but both cars were damaged.

The Evenings are never too long with an Orthophonic Victrola for an entertainer.
