

## Touches that Add Style to Dresses

By MAE MARTIN

It's amazing to see how faded, out-of-style dresses can be transformed by a few buttons, a little braid and the quick magic of home dyeing or tinting. You don't need any experience to tint or dye successfully if you are sure to use true, fadeless Diamond Dyes. Tinting with them is easy as bluing, and dyeing takes just a little more time to "set" the colors. They never give things that re-dyed look which comes from using inferior dyes. Insist on Diamond Dyes and save disappointment. Over 20 million packages used a year.

My new 64-page illustrated book, "Color Craft," gives hundreds of money-saving hints for renewing clothes and draperies. It's free. Write for it, now, to Mae Martin, Dept. G-143, Diamond Dyes, Burlington, Vermont.

## When Food Sours

Lots of folks who think they have "indigestion" have only an acid condition which could be corrected in five or ten minutes. An effective anti-acid like Phillips Milk of Magnesia soon restores digestion to normal.

Phillips does away with all that sourness and gas right after meals. It prevents the distress so apt to occur two hours after eating. What a pleasant preparation to take! And how good it is for the system! Unlike a burning dose of soda—which is but temporary relief at best—Phillips Milk of Magnesia neutralizes many times its volume in acid.

Next time a hearty meal, or too rich a diet has brought on the least discomfort, try—

Castoria is a comfort when Baby is fretful. No sooner taken than the little one is at ease. If restless, a few drops soon bring contentment. No harm done, for Castoria is a baby remedy, meant for babies. Perfectly safe to give the youngest infant; you have the doctors' word for that! It is a vegetable product and you could use it every day. But it is an emergency that Castoria means most. Some night when constipation must be relieved—or colic pains—or other suffering.
