The Highroad

Bernard M. Baruch, discussing success, said at a luncheon in New York:

"Julius Rosenwald, the mail order king, imputes his success to luck. I would impute it to pluck, or whatever the quality is that makes a man fight on the harder, the more he is knocked down and kicked about."

Mr. Baruch paused a moment; then he said impressively:

"Failure is the highroad to success."

Bum Cloth

Mr. Hewitt—From his conversation one would gather that he was a tailor.

Mr. Jewitt—I don't get you.

Mr. Hewitt—Always talking about cloak of friendship and mantle of charity.

Social uplift—the lorgnette.

On the Job

Janitor—It's time to go home—what are you waiting for?

Clerk—I'm waiting for the woman who said she'd look around a little and come back later on.

The laws of Oregon require that pedestrians walk on the left side of country roads. In this way they face oncoming traffic.

If Kidneys Act Bad Take Salts

Says Backache Often Means You Have Not Been Drinking Enough Water

When you wake up with backache and dull misery in the kidney region it may mean you have been eating foods which create acids, says a well-known authority. An excess of such acids overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys, also to neutralize acids in the system, so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink. Drink lots of good water.

AN APT PUPIL

After a particularly frightful shot, his partner turned to him and inquired:

"How long, may I ask, have you been playing golf?"

"Oh, about five years," was the reply.

"Really," said the first scathingly, "I had no idea it was possible to acquire such appalling ignorance of the game in so short a time.

Lady—Why no indeed, he's a college student.

I. A.—Well, you know this company doesn't pay anything on suicides.

Wrong End

"I'll get a shingle," I
Heard flapper Mary boast;
But course I knew 'twouldn't be
Where she did need it most.

Must Fall to Rise

"Daddy," said his little daughter as they watched an airplane, "do you think they will ever get to heaven flying away up like that?"

"Not by going away up, my dear," was the reply; "they are more likely to do it by coming down."—Vancouver Province.

A Mighty Seat

Two young boys were telling about great deeds, when one who was a professor's son spoke up and said his father occupied the chair of applied physics at Cambridge.

"Dat's nutting," replied the other, "mine occupied the seat of applied electricity at Sing Sing."

Making It Up

Rare Curios at Auction

For smothering widows after their husbands have died, a dense mask used by the relatives of Polynesia was one of a number of weird rarities recently sold at auction in London. Other odd things included a New Guinea "man catcher," a hideous mask worn by the members of a Melanesian secret society; a collection of human heads, some of which have been made into baskets; a South sea god and goddess which were found in a cave, and a primitive iron tooth extractor.

Without a Cover

Miss Tattle—I had a most romantic gift sent me. Just this plain open box with "Meet Your Counterpart" on it. What can it mean?

Miss Tittle—My dear, how intriguing. Did you say it won't shut up?—London Opinion.

Los Angeles Boy Needed Help

Leroy Young, 1116 Georgia St., Los Angeles, is a "regular fellow," active in sports, and at the top in his classes at school. To look at him now, you'd think he never had a day's sickness but his mother says: "When Leroy was just a little fellow, we found his stomach and bowels were weak. He kept suffering from constipation. Nothing he ate agreed with him. He was fretful, feverish and puny.

"When we started giving him California Fig Syrup his condition improved quickly. His constipation and biliousness stopped and he has had no more trouble of that kind. I have since used California Fig Syrup with him for colds and upset spells. He likes it because it tastes so good and I like it because it helps him so wonderfully!"

California Fig Syrup has been the trusted standby of mothers for over 50 years. Leading physicians recommend it. It is purely vegetable and works with Nature to regulate, tone and strengthen the stomach and bowels of children so they get full nourishment from their food and waste is eliminated in a normal way.

Four million bottles used a year shows how mothers depend on it. Always look for the word "California" on the carton to be sure of getting the genuine.

The Impossible

Woman—Big, strong man like you begging. You ought to look around for work.

Tramp—Excuse me, lady, but I've got such a stiff neck I simply can't look around.

Pertinent Question

"She's always running somebody down." "Really? Motor or gossip?"—Border Cities Star.

COULD NOT GET OUT OF BED

Lydia E. Pinkham's Vegetable Compound Strengthened Her

Elkhart, Ind.—"I had a tired feeling and was unable to get out of bed without the help of my husband. We heard of the Vegetable Compound and decided to try it. I am still taking it and it sure is a help to me. I can do my work without resting before I am through. I know that if women will give the Vegetable Compound a trial they can overcome those tired and worn-out feelings. I cannot express the happiness I have received and how completely it has made over my home."—Mrs. D. H. Stuart, 1326 Laurel St., Elkhart, Indiana.
