OUR PRESIDENT

In his political swan song, Governor Smith wishes the president elect well and so do we all. We hope and believe that he will understand fully and remember all ways that he is President of the United States and not simply the successful candidate of the Republican party.

PICTORIAL LIFE OF HERBERT HOOVER

No. 10

By Satterfield

1. After their romantic years in China the Hoovers settled down in America with their two boys.

2. During this period, Hoover made extensive contributions to the scientific literature of engineering.

3. His leisure time was spent in scientific experiment in his own private laboratory.

4. Camp life was his vacation hobby. He is the only man who can poach an egg on the end of a stick.
